Kiss Me Kate Script:

Kiss Me, Kate David Charles Abell, Peter L. Felcher, Seann Alderking, 2014 For the first time ever the definitive full orchestral score of one of Broadway's beloved smash hits of the Golden Age is available for purchase This edition includes the complete script and stage directions alternate keys and dance routines in an appendix explanatory notes and documentation Using the same rigorous musicological principles that have long been applied to the works of the great European composers the original 1948 orchestrations of Cole Porter's masterpiece have been meticulously restored Broadway's classic musicals are perhaps America's most unique and enduring contribution to world culture and Kiss Me Kate is one of the jewels in the crown Here it is at last treated with the same respect as the great European operas and operettas 754 pages *The Oxford Handbook of Musical Theatre Screen Adaptations* Dominic McHugh, 2019-06-14 Hollywood's conversion to sound in the 1920s created an early peak in the film musical following the immense success of *The Jazz Singer* The opportunity to synchronize moving pictures with a soundtrack suited the musical in particular since the heightened experience of song and dance drew attention to the novelty of the technological development Until the near collapse of the genre in the 1960s the film musical enjoyed around thirty years of development as landmarks such as *The Wizard of Oz* *Meet Me in St Louis* *Singin' in the Rain* and *Gigi* showed the exciting possibilities of putting musicals on the silver screen *The Oxford Handbook of Musical Theatre Screen Adaptations* traces how the genre of the stage to screen musical has evolved starting with screen adaptations of operettas such as *The Desert Song* and *Rio Rita* and looks at how the Hollywood studios in the 1930s exploited the publication of sheet music as part of their income Numerous chapters examine specific screen adaptations in depth including not only favorites such as *Annie* and *Kiss Me Kate* but also some of the lesser known titles like *Li'l Abner* and *Roberta* and problematic adaptations such as *Carousel* and *Paint Your Wagon* Together the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies **Race, Sexuality, and Gender and the Musical Screen Adaptation** Dominic Broomfield-McHugh, 2023 The second of three volumes *Race Sexuality and Gender and the Musical Screen Adaptation* An Oxford Handbook traces how the genre of the stage to screen musical has evolved focusing in particular of issues of race gender and sexuality Enduringly popular adaptations such as *Kiss Me Kate* and *Pal Joey* are considered through the lens of identity while several chapters consider how different adaptations of the same stage musical reflect shifting historical contexts Together the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies **Shakespeare and the American Musical** Irene G. Dash, 2010 *The Bard on Broadway* **Cole Porter** William McBrien, 2011-05-04 In his life and in his music Cole Porter was the top the pinnacle of wit and sophistication From the 1910s through the 50s from Yale pep rallies through the Broadway triumphs of *Anything Goes* and *Kiss Me Kate* he delighted audiences with a glittering torrent of song *I Get a Kick Out of You* *Night and Day* *Love for Sale* and *Just One of Those Things* The bright surface of these

gems their catchy melodies and ingenious lyrics made them instant pop hits Their more subtle qualities and their musical and emotional depth have made them lasting standards among the greatest glories of the American songbook In Cole Porter William McBrien has thoroughly captured the creator of these songs whose life was one not only of wealth and privilege but also of tragedy secrecy and courage A prodigal young man Porter found his aesthetic and emotional anchor in a long loving if sexless marriage while continuing to maintain many discreet affairs with men In 1937 at the height of his success he suffered a near fatal riding accident his last eighteen years were marked by pain drugs and repeated operations on his legs years of physical agony but unstinting artistic achievement Here is the book that Porter s fans have long hoped for a life that informs the great music and lyrics though illuminating glimpses of the hidden complicated private man **Choreographing**
