My Cheat Sheet For Sunday:

How I Beat Law School At Its Own Game, And You Can Too Brent McDonald, 2014-10-21 Some books cover everything from getting into law school to going to your first interview or even how to practice law Others focus solely on taking your exams This book is about one thing getting A s in law school But it starts at the beginning of school and ends at your final exam It is the complete package of what you need to get A s without discussing off topic items such as interviewing skills This isn t another work harder or be more intelligent type of book Instead it teaches anyone how to get A s by playing the game correctly The techniques in the book have been tested and proven by numerous law students and will work for you too Here is what you will find in this book What to expect in the classroom Want to know what law school is really like Ease your pre law school nerves by understanding how each class will be conducted and understanding the different types of professors you will encounter You will also learn how the court systems are structured and understand why you will read and brief cases in law school The psychological game Unfortunately law school is a psychological game that you must be prepared to deal with The book covers the games played by your professors and some of your fellow students so that you can take it in stride and focus on getting good grades instead Getting a jump start There is a simple technique that you can follow to buy yourself an extra week of studying at exam time This technique is covered in detail Getting the big picture One of the most frustrating things about law school is that professors intentionally or unintentionally hide the ball Luckily for you there is a simple technique that won t require digging through hundreds of pages of expensive supplements This book shares that technique with you to get you ahead of the rest of your class in seeing the big picture I R A C This book covers how to use IRAC to brief cases but also how to take it one step further to give you what you need to ace your exams Note Taking in Class Note taking in law school is an art Learn the specifics of what should and should not be included in your notes By following this novel technique you will save valuable hours come exam time Study Aids Should you spend your money on study aids Learn the pros and cons and the proper way to use study aids to maximize your study time and potential to get A s Studying for the Exam The last week or two before exams is the time that separates that A s from everything else This book walks you through how to use your time day by day Also learn concrete methods to reduce your material to the essentials and what you should and should not memorize for your exams Following these techniques will send you to your exams more prepared than nearly all of your fellow students without killing you in the process How to Ace the Exam Learn everything you need to know about how to actually get A s on your exams both open and closed book exams You will learn how exams are graded and why more than just issue spotting is required Learn how to lay out your exam answer from start to finish in a format that will set you apart from the average student Using this book s techniques will alleviate significant stress as you will have a clear game plan and steps that you can follow to maximize your allotted exam time The step by step techniques taught in this book were written by a practicing lawyer The author was an average undergraduate student but he graduated at the top of his class

after figuring out how to play the game of law school **The Buy Side** Turney Duff,2013-06-04 NEW YORK TIMES
BESTSELLER A former Galleon Group trader portrays an after hours Wall Street culture where drugs and sex are rampant and billions in trading commissions flow to those who dangle the most enticements A remarkable writing debut filled with indelible moments The Buy Side shows as no book ever has the rewards and dizzying temptations of making a living on the Street Growing up in the 1980 s Turney Duff was your average kid from Kennebunk Maine eager to expand his horizons After trying and failing to land a job as a journalist he secured a trainee position at Morgan Stanley and got his first feel for the pecking order that exists in the trading pits Those on the buy side the traders who make large bets on whether a stock will rise or fall are the alphas and those on the sell side the brokers who handle their business are eager to please How eager to please was brought home stunningly to Turney in 1999 when he arrived at the Galleon Group a colossal hedge fund management firm run by secretive founder Raj Rajaratnam Finally in a position to trade on his own Turney was encouraged to socialize with the sell side and siphon from his new broker friends as much information as possible Soon he was not just vacuuming up valuable tips but also being lured into a variety of hedonistic pursuits Na ve enough to believe he could keep up the lifestyle without paying a price he managed to keep an eye on his buy and sell charts and meanwhile pondered the strange goings on at Galleon where tens of millions were being made each week in sometimes mysterious ways At his next positions at Argus Partners and J L Berkowitz Turney climbed to even higher heights and as it turned out plummeted to even lower depths as by day he solidified his reputation one of the Street s most powerful healthcare traders and by night he blazed a path through the city s nightclubs showing off his social genius and voraciously inhaling any drug that would fill the void he felt inside A mesmerizingly immersive journey through Wall Street s first millennial decade and a poignant self portrait by a young man who surely would have destroyed himself were it not for his decision to walk away from a seven figure annual income The Buy Side is one of the best coming of age on the Street books ever written **Bartender, P.I.** Ethan Stone,2014-05-02 *I Will Not Betray You* Sheena Zernicek,2012-10 Odette though most people who know her call her Dee is a member of SC3 or South Central Contract Crimes Unit a law enforcement office tasked with monitoring and policing beings known as contracts and their human contractors who need a pact to seal their union The year is 2022 Ten years prior a rare planetary alignment caused a fluctuation in the magnetic field of planet Earth and opened multiple rifts across the world The rifts are connected to a parallel world that exists in the same time and space as the Earth s but on a different plane And the largest rift has taken place in Odette s city Through these rifts beings from the alternate world began spilling out changing the sociological and political landscape in the lives of humans Even though most have learned to acclimatize to this new situation some both contracts and contractors still find themselves succumbing to crimes perhaps in their failure to adapt thus the need for people like Odette Yet unbeknown to all of them but soon they ll find themselves confronting is the biggest threat of all and to our planet itself the arrival of the father of all contracts who has come to devour
