Night Naked Erhard Loretan, 2016-09-07 Loretan is often credited with bringing fast and light style to the highest mountains New foreword by bestselling writer David Roberts On October 5 1995 Erhard Loretan became the third person to climb all fourteen 8000 meter peaks and the second to climb them without supplemental oxygen He also became one of only a handful of individuals to climb Everest via the Hornbein Couloir he and Jean Troillet completed the roundtrip climb in only 43 hours An influential climber Loretan's story has never before been told in English He writes with humor often deprecating his own accomplishments and he is shockingly honest On Cho Oyu for instance his climbing partner Pierre Alain Steiner fell hundreds of meters Loretan called out to what he assumed would be a corpse Unexpectedly Steiner called back Loretan writes knowing that what he is about to share is terrible that he felt no joy on hearing his friend's voice because rescue was impossible in so remote a place This title is part of our LEGENDS AND LORE series Click here to learn more **K2 La**
