Kelly Oliver

Erotic Selfies Selfies Of Naked Ladies:

Sexy Selfie Nation Leora Tanenbaum, 2025-05-20 Chances are that you are getting it all wrong In this eye opening new work slut shaming expert Leora Tanenbaum explains that when we criticize young women for wearing body revealing outfits and sharing sexy selfies we are losing the plot The problem is not with the actions young women take but with the toxic sexist conditions they are responding to Young people are sick of being held responsible for others inability to keep their eyes off their bodies They explain that most of the time they aren t even trying to sexualize themselves and when they do they are taking control over their bodily autonomy and standing up for themselves Tanenbaum demonstrates that sexy does not mean inviting sex and that when young women and nonbinary people embrace a sexualized aesthetic or post sexy pictures they do so on their own terms In choosing to wear body revealing clothing and posting sexy selfies young people are taking a stand for themselves and against three pillars of nonconsensual sexualization that shape their daily lives Gendered dress codes which allow teachers and administrators to scrutinize and comment on girls bodies Nonconsensual sharing of intimate images revenge porn and deepfakes which portray girls and women as sexual objects deserving of public humiliation The aftermath of sexual harassment and assault when victims are told still today even after MeToo that they were asking for it There s nothing wrong with taking and sharing intimate pictures There s nothing wrong with feeling good about one s body Everyone should be able to stand up for themselves experience a sense of bodily autonomy and shape and share their image on their own terms If you like cultural criticism that supports women of all identities then you ll love *Sexy Selfie Nation*

The Psychology of the Selfie Barrie Gunter, 2021-09-01 The Psychology of the Selfie provides a comprehensive overview and analysis of research on the significance of selfies offering insights into the topic from a psychological perspective and examining important issues such as body image self objectification mental health and psychological benefits Selfies are a worldwide phenomenon Although dismissed by critics as a sign of self absorbed narcissism they are also a social currency that maintains and reinforces friendships a feedback loop for self identity affirmation a promotional tool for gaining social influence and a method for preserving memories of life events In this book Barrie Gunter expertly explores the psychological underpinnings of the contemporary global phenomenon of selfies from the historical roots and meteoric rise due to technical advancements to the different personality types of selfie takers to social relationships to group and personal identity Looking at both the psychological nature and impact of selfies this book reviews different psychological outcomes for selfie takers both positive and negative and the growth in psychological and physical problems that can sometimes arise Presenting a comprehensive analysis specifically of selfie behaviour this book is an essential reference for students and researchers in communications and media journalism information studies psychology and sociology as well as anyone with a general interest in the phenomenon

Digital Cultures Smeeta Mishra, 2021-02-15 The book explores contemporary selfie taking practices digital experiences of love romance and infidelity sexting rituals self tracking habits strategies used by the

Internet famous and the power of hashtag campaigns and memes in espousing a cause Rejecting binary narratives on digital cultures it showcases the fascinating ways in which we use our digital devices social media platforms and apps by drawing upon academic research everyday observations and a determination to challenge assumptions and hasty generalizations It also engages with emerging narratives on online authenticity privacy digital detox and the digital divides prevalent both in India and abroad

The Future of Media Joanna Zylinska,2022-03-22 An investigation of the future of various media industries and technologies that considers how media shape our future How do we combat post truth in the news Are social media influencers the journalists of today What is it like to live in a smart city Does AI really change everything *The Future of Media* investigates the future of media industries and technologies journalism TV film photography radio publishing social media while exploring how media shape our future on a political economic cultural and individual level Issues of diversity media reform labour activism and art take the discussion into a wider social context Through this the book celebrates the importance and vitality of media in the modern world *The Future of Media* is also an experiment in collaborative modes of thinking and working Co authored by theorists and practitioners from one of the world s most established media departments it offers a radical creative and critical take on media industries and on world affairs

The Selfie Generation Alicia Eler,2017-11-07 Whether it s Kim Kardashian uploading picture after picture to Instagram or your roommate posting a mid vacation shot to Facebook selfies receive mixed reactions But are selfies more than as many critics lament a symptom of a self absorbed generation Millennial Alicia Eler s *The Selfie Generation* is the first book to delve fully into this ubiquitous and much maligned part of social media including why people take them in the first place and the ways they can change how we see ourselves Eler argues that selfies are just one facet of how we can use digital media to create a personal brand in the modern age More than just a picture they are an important part of how we live today Eler examines all aspects of selfies online social networks and the generation that has grown up with them She looks at how the boundaries between people s physical and digital lives have blurred with social media she explores questions of privacy consent ownership and authenticity and she points out important issues of sexism and double standards wherein women are encouraged to take them but then become subject to criticism and judgment Alicia discusses the selfie as a paradox both an image with potential for self empowerment yet also a symbol of complacency within surveillance culture *The Selfie Generation* explores just how much social media has changed the ways that people connect communicate and present themselves to the world

Children and the Politics of Sexuality Liza Tsaliki,2016-08-13 This book discusses already established accounts about the sexualization of children through a theoretical and an empirical framework which bring together popular culture consumption sexuality selfhood and childhood Adopting the view that the debate about the sexualization of childhood is socially constructed it pushes beyond the dominant preconceptions about the risks of childhood Moral judgements about children s welfare are perhaps nowhere more transient and controversial than when it comes to children s sexuality

something that has deep historical roots However and contrary to recurrent fears and moral panics about the loss of childhood as a result of a tidal wave of a sexualizing culture this book theorizes the notion of children s sexualization within the social construction of myths of childhood innocence while also taking into account the extent of young people s actual engagement with media and technology in contemporary Western societies It is within such a contextual framework that this book unfolds bringing together a historical contextualization of childhood sexuality and pornography with contemporary empirical accounts regarding the presentation of the self and self management

Hunting Girls Kelly Oliver, 2016-05-24 Katniss Everdeen The Hunger Games Bella Swan Twilight Tris Prior Divergent and other strong and resourceful characters have decimated the fairytale archetype of the helpless girl waiting to be rescued Giving as good as they get these young women access reserves of aggression to liberate themselves but who truly benefits By meeting violence with violence are women turning victimization into entertainment Are they playing out old fantasies institutionalizing their abuse In *Hunting Girls* Kelly Oliver examines popular culture s fixation on representing young women as predators and prey and the implication that violence especially sexual violence is an inevitable perhaps even celebrated part of a woman s maturity In such films as *Kick Ass* 2010 *The Girl with the Dragon Tattoo* 2011 and *Maleficent* 2014 power control and danger drive the story but traditional relationships of care bind the narrative and even the protagonist s love interest adds to her suffering To underscore the threat of these depictions Oliver locates their manifestation of violent sex in the growing prevalence of campus rape the valorization of woman s lack of consent and the new urgency to implement affirmative consent apps and policies

Public Nudity and the Rhetoric of the Body Brett Lunceford, 2018-12-14 Although nudity is something that everyone has experience with public nudity is still largely considered taboo *Public Nudity and the Rhetoric of the Body* examines instances of public nudity where sexuality is at the forefront of public body display It presents a range of case studies the legal aspects of sexualized public nudity as it relates to communication theory and the First Amendment the controversies surrounding the work of photographer Jock Sturges the public performance art of Milo Moir the topless protests of FEMEN the social media activism of Aliaa Magda Elmahdy the ritualized flashing during Mardi Gras in New Orleans and the sexual displays of Folsom Street Fair the largest leather pride festival Taken together these cases teach much about identity self determination and sexuality and illustrate the complicated rhetorical nature of the human body in the public sphere

Appreciation Post Tara Ward, 2024-04-30 What does an art history of Instagram look like In this text Tara Ward addresses this question to show that Instagram is best understood as a structure of the visual which includes not just the process of looking but what can be seen and by whom Tracing the platform s own mythology for how it will be integrated into users lives *Appreciation Post* highlights the ways the constraints imposed by the experience of viewing limit the kinds of selves that can be presented on it showing how the proliferation of technical knowledge especially amongst younger women has produced a revitalization of the myth of the masculine genius and a corresponding reinvigoration of

masculine audience for art Ward prompts contemplation of the meaning of various aspects of Instagram and the deliberate choices on the part of actual Instagrammers exploring what it is like to scroll through images on a phone the skill involved in taking an Instagram worthy picture and the desires created by following influencers This approach reveals how Instagram is shifting long established ways of interacting with images and makes an argument for art history's value as a way of

understanding the contemporary world and the visual nature of identity today **Internet and Technology Addiction: Breakthroughs in Research and Practice** Management Association, Information Resources, 2019-06-07 Addiction is a powerful and destructive condition impacting large portions of the population around the world and because of ubiquitous technology social networking and internet addiction have become a concern in recent years With all ages affected by the fear of missing out which forces them to stay continually connected in order to stay up to date on what others are doing new research is needed to prevent and treat anxieties caused by internet use Internet and Technology Addiction Breakthroughs in Research and Practice is an authoritative resource for the latest research on the social and psychological implications of internet and social networking addiction in addition to ways to manage and treat this unique form of addiction Highlighting a range of pertinent topics such as digital addiction social isolation and technology servitude this publication is an ideal reference source for psychologists cyberpsychologists cybersociologists counselors therapists public administrators academicians and researchers interested in psychology and technology use **Psychological, Social, and Cultural**

Aspects of Internet Addiction Bozoglan, Bahadir, 2017-12-08 Addiction is a powerful and destructive condition impacting large portions of the population around the world While typically associated with substances such as drugs and alcohol technology and internet addiction have become a concern in recent years as technology use has become ubiquitous Psychological Social and Cultural Aspects of Internet Addiction is a critical scholarly resource that sheds light on the relationship between psycho social variables and internet addiction Featuring coverage on a broad range of topics such as human computer interaction academic performance and online behavior this book is geared towards psychologists counselors graduate level students and researchers studying psychology and technology use The Yes Woman Grace Jennings-Edquist, 2021-08-31 Through interviews research and her own experiences Grace Jennings Edquist analyses Yes Woman behaviour a mix of perfectionism and people pleasing holding women back and often burning them out A practical guide to recognising your own Yes Woman tendencies measuring their cost on your health and resisting that need to please

Visual Culture Approaches to the Selfie Derek Conrad Murray, 2021-11-19 This collection explores the cultural fascination with social media forms of self portraiture selfies with a specific interest in online self imaging strategies in a Western context This book examines the selfie as a social and technological phenomenon but also engages with digital self portraiture as representation as work that is committed to rigorous object based analysis The scholars in this volume consider the topic of online self portraiture both its social function as a technology driven form of visual communication as

well as its thematic intellectual historical and aesthetic intersections with the history of art and visual culture This book will be of interest to scholars of photography art history and media studies *Gender and Diversity: Concepts, Methodologies, Tools, and Applications* Management Association, Information Resources, 2018-08-03 Today gender inequality and diversity are at the forefront of discussion as the issue has become an international concern for politicians government agencies social activists and the general public Consequently the need to foster and sustain diversity and inclusiveness in the interactions among various groups of people is relevant today more than ever Gender and Diversity Concepts Methodologies Tools and Applications provides a critical look at gender and modern day discrimination and solutions to creating sustainable diversity across numerous contexts and fields Highlighting a range of topics such as anti discrimination measures workforce diversity and gender inequality this multi volume book is designed for legislators and policy makers practitioners academicians gender studies researchers and graduate level students interested in all aspects of gender and diversity studies **Sex in the Digital Age** Paul G Nixon, Isabel Düsterhöft, 2017-08-16 Shifts in societal development resulting from economic and technological advancements have had an impact upon the development of human sexuality and behaviour and with the expansion of developments such as the Internet and associated technologies it is likely that further societal shifts will ensue This book recognises the importance of new digital spaces for discourses surrounding sexuality examining issues such as pornography sex education and health LGBTQ sexualities polysexuality or polyamory abstention sexual abuse and violence erotic online literature sex therapy teledildonics sex and gaming online dating celebrity porn young people and sexual media and sexting and sextainment all of which are prominently affected by the use of digital media With case studies drawn from the US the UK and Europe Sex in the Digital Age engages in discussion about the changing acceptance of sex in the 21st century and part played in that by digital media and considers the future of sex and sexuality in an increasingly digital age It will therefore appear to scholars across the social sciences with interests in gender and sexuality new technologies and media and cultural studies **American Criminal Law** Paul H. Robinson, Sarah M. Robinson, 2022-08-12 This coursebook offers an exciting new approach to teaching criminal law to graduate and undergraduate students and indeed to the general public Each well organized and student friendly chapter offers historical context tells the story of a principal historic case provides a modern case that contrasts with the historic explains the legal issue at the heart of both cases includes a unique mapping feature describing the range of positions on the issue among the states today examines a key policy question on the topic and provides an aftermath that reports the final chapter to the historic and modern case stories By embedding sophisticated legal doctrine and analysis in real world storytelling the book provides a uniquely effective approach to teaching American criminal law in programs on criminal justice political science public policy history philosophy and a range of other fields [The Oxford Handbook of U.S. Women's Social Movement Activism](#) Holly J. McCammon, Verta A. Taylor, Jo Reger, Rachel L. Einwohner, 2017 The Oxford Handbook of U S Women s Social Movement Activism provides a comprehensive

examination of scholarly research and knowledge on a variety of aspects of women's collective activism in the United States tracing both continuities and critical changes over time *NSFW* Susanna Paasonen, Kylie Jarrett, Ben Light, 2024-02-06 An exploration of how and why social media content is tagged as not safe for work and an argument against conflating sexual content with risk The hashtag NSFW not safe for work acts as both a warning and an invitation NSFW tells users We dare you to click on this link And by the way don't do it until after work Unlike the specificity of movie and television advisories suggestive dialogue sexual content NSFW signals nonspecifically sexually explicit content that ranges from nude selfies to pornography NSFW looks at how and why social media content is tagged not safe and shows how this serves to conflate sexual content and risk The authors argue that the notion of unsafety extends beyond the risk of losing one's job or being embarrassed at work to an unspecified sense of risk attached to sexually explicit media content and sexual communication in general The authors examine NSFW practices of tagging and flagging on a range of social media platforms online pornography and its dependence on technology user generated NSFW content in particular the dick pic and associated issues of consent desire agency and social power the deployment of risqu humor in the workplace and sexist and misogynist online harassment that functions as an enforcer of inequalities They argue against the categorical effacement of sexual content by means of an all purpose hashtag and urge us to shift considerations of safety from pictorial properties to issues of context and consent **Girl Positive** Tatiana Fraser, Caia Hagel, 2018-01-09 Showcasing the diverse voices of girls across North America Tatiana Fraser and Caia Hagel draw on the wisdom of young women making positive change in their own lives and communities to offer tools for families friends and educators to assist the empowerment of young women With its engaging and cutting edge view of the cultural social and political issues faced by girls Girl Positive examines the transforming identities of girls in the world today Examining topics from social media sexual violence hypersexuality and cyberspace identities to girls as world leaders of positive change Girl Positive offers stories of struggle victory and inspiration Travelling across Canada and the United States from Montreal to New Haven CT New Jersey to Toronto Whitehorse to the Wemindji Cree Nation in northern Quebec Fraser and Hagel spent time talking and hanging out with school age girls college students and young women early in their careers Interspersed in these narratives is advice and input from adult experts in media health race and gender politics sexuality education and leadership Each chapter also includes a Survival Kit which offers tips and discussion questions for girls and the adults in their lives Through Fraser and Hagel's interviews readers will learn how to equip themselves to encourage girls and boys as parents friends educators mentors and activists Girl Positive illuminates emerging culture and fresh politics and shows us the future in the making *American Girls* Nancy Jo Sales, 2017-01-24 A New York Times Bestseller Award winning Vanity Fair writer Nancy Jo Sales crisscrossed the country talking to more than two hundred girls between the ages of thirteen and nineteen about their experiences online and off They are coming of age online in a hypersexualized culture that has normalized extreme behavior from pornography to the casual exchange of nude

photographs a culture rife with a virulent new strain of sexism a culture in which teenagers are spending so much time on technology and social media that they are not developing basic communication skills The dominant force in the lives of girls coming of age in America today is social media Instagram Whisper Vine Youtube Kik Ask fm Tinder Provocative explosive and urgent American Girls will ignite much needed conversation about how we can help our daughters and sons negotiate the new social and sexual norms that govern their lives
