The History of Camden County, New Jersey George Reeser Prowell, 1886

From Home Guards to Heroes Dennis W. Brandt, 2007-01-30 The soldiers of the 87th Pennsylvania Infantry fought in the Overland campaign under Grant and in the Shenandoah valley under Sheridan notably at the Battle of Monocacy But as Dennis Brandt reveals in From Home Guards to Heroes their real story takes place beyond the battlefield The 87th drew its men from the Scotch Irish and German populations of York and Adams counties in south central Pennsylvania a region with closer ties to Baltimore than to Philadelphia where some citizens shared Marylanders southern views on race while others aided the Underground Railroad Brandt's unique regimental history investigates why these boys from York enlisted and why some deserted the ways in which soldiers reflected their home communities and the area's attitudes toward the war both before and after hostilities broke out Brandt takes a humanistic approach to the Civil War revealing the more personal aspects of the struggle in a book that focuses on the soldiers themselves Using their own words to describe action both on and off the battlefield he sheds light on the lives of ordinary men the comparative values of farm and city boys their motives and concerns the effect of battle on soldiers and their families and the suffering that veterans took to the grave Brandt also looks at soldiers racial views illuminating their deepest worries about the war and at community politics and problems of discipline surrounding this ideologically divided unit Grounded in more than a decade of research into nearly two thousand military records this is one of the few regimental histories based on more than one thousand pension records for the entire regiment plus nearly eight hundred additional record sets for other area soldiers Brandt tapped regional newspapers and a cache of unpublished letters and diaries some from private collections not previously known to provide an invaluable account of Civil War sensibilities in a northern area bordering a slave state From Home Guards to Heroes is a book about war in which humanity rather than troop movement takes center stage Engagingly written for a wide audience and meticulously researched it offers a distinctive image of a community and the intimate lives of the men it sent off to fight and a story that will intrigue any Civil War aficionado A Catalog of Books Represented by Library of Congress Printed Cards **Issued to July 31, 1942** ,1942 **History of York County, Pennsylvania** George Reeser Prowell,1907 Making the Scene in the Garden State Dewar MacLeod, 2020-03-13 Making the Scene in the Garden State explores New Jersey's rich musical heritage through stories about the musicians listeners and fans who came together to create sounds from across the

American popular music spectrum From the beginnings of recording in Thomas Edison s factories to Bruce Springsteen s early years at the Upstage Club and beyond the book examines the sounds sights and textures of music scenes in New Jersey

New Books National Defense University. Library,1985 Frederick Valentine Melsheimer, a Pioneer Entomologist, and a Noted Clergyman and Author. A Paper Read Before the Historical Society of York County, April 8, 1897, by George R. Prowell... George Reeser Prowell,1903 Biographical George Reeser Prowell,1907

Virginia Honey: A Sweet History Virginia C. Johnson, 2021 Honeybees have been a part of Virginia s history since they arrived with the first European colonists They were Jamestown's valuable addition and a Civil War soldier's sweet if painful temptation and they served as homefront heroes when the world wars caused sugar shortages In recent years mead has seen a resurgence along with beekeeping and has claimed a place as a craft beverage in the Commonwealth Join author Virginia Johnson to hunt escaped swarms flying wild in the forests visit modern day observation hives and follow the mead path across the Commonwealth for a taste of history **Brief History of York County** George Reeser Prowell,1906 of the Eighty-seventh Regiment, Pennsylvania Volunteers George Reeser Prowell,1903 Plenty of Blame to go Around Eric J. Wittenberg, J. David Petruzzi, 2006-09-12 A welcome new account of Stuart's fateful ride during the 1863 Pennsylvania campaign well researched vividly written and shrewdly argued Mark Grimsley author of And Keep Moving On June 1863 The Gettysburg Campaign is in its opening hours Harness jingles and hoofs pound as Confederate cavalryman James Ewell Brown JEB Stuart leads his three brigades of veteran troopers on a ride that triggers one of the Civil War s most bitter and enduring controversies Instead of finding glory and victory two objectives with which he was intimately familiar Stuart reaped stinging criticism and substantial blame for one of the Confederacy's most stunning and unexpected battlefield defeats In Plenty of Blame to Go Around Jeb Stuart's Controversial Ride to Gettysburg Eric J Wittenberg and J David Petruzzi objectively investigate the role Stuart's horsemen played in the disastrous campaign It is the first book ever written on this important and endlessly fascinating subject Did the plumed cavalier disobey General Robert E Lee's orders by stripping the army of its eyes and ears Was Stuart to blame for the unexpected combat that broke out at Gettysburg on July 1 Authors Wittenberg and Petruzzi widely recognized for their study and expertise of Civil War cavalry operations have drawn upon a massive array of primary sources many heretofore untapped to fully explore Stuart's ride its consequences and the intense debate among participants shortly after the battle through early post war commentators and among modern scholars The result is a richly detailed study jammed with incisive tactical commentary new perspectives on the strategic role of the Southern cavalry and fresh insights on every horse engagement large and small fought during the campaign Religion and the Continental Congress, 1774-1789 Derek Davis, 2000 This book offers the first comprehensive examination of the role of religion in the proceedings theories ideas and goals of the Continental Congress Those who argue that the U S was founded as a Christian Nation have made much of the religiosity of the founders particularly as it was manifested in ritual invocations of a clearly

Christian God Congress s religious activities Davis shows expressed an unreflective popular piety and by no means a determination of the revolutionaries to entrench religion in the federal state The Confederacy's Last Northern Offensive Steven Bernstein, 2014-01-10 By spring 1864 the administration of Abraham Lincoln was in serious trouble with mounting debt low morale and eroding political support As spring became summer a force of Confederate troops led by Lieutenant General Jubal Anderson Early marched north through the Shenandoah Valley and crossed the Potomac as Washington D C and Maryland lay nearly undefended This Civil War history explores what could have been a decisive Confederate victory and the reasons Early s invasion of Maryland stalled **Biographical Books, 1876-1949** R.R. Bowker Company, 1983 This book is a companion volume to Biographical books 1950 1980 completing a comprehensive one hundred and five year bibliography of biographical and autobiographical works published or distributed in the United States Preface and Mules in the Civil War Gene C. Armistead, 2013-09-09 Horses and mules served during the Civil War in greater number and suffered more casualties than the men of the Union and Confederate armies combined Using firsthand accounts this history addresses the many uses of equines during the war the methods by which they were obtained their costs their suffering on the battlefields and roads their consumption by soldiers and such topics as racing and mounted music The book is supplemented by accounts of the Lightning Mule Brigade the Charge of the Mule Brigade five appendices and 37 illustrations More than 700 Civil War equines are identified and described with incidental information and identification of Stowers and Glascock Families Kay Freilich, 2003 James Evans Stowers Jr was born 10 January 1924 in their masters Kansas City Missouri His parents were James Evans Stowers Sr and Laura Smith He married Virginia Ann Glascock daughter of Clayton Francis Glascock and Gertrude Francis Wright 4 February 1954 They had four children Ancestors and relatives lived mainly in Missouri Kentucky Virginia New York New Jersey Massachusetts Pennsylvania North Carolina and England

Music Along the Rapidan James Andrew Davis, 2014-05-01 In December 1863 Civil War soldiers took refuge from the dismal conditions of war and weather They made their winter quarters in the Piedmont region of central Virginia the Union's Army of the Potomac in Culpeper County the Confederacy's Army of Northern Virginia in neighboring Orange County For the next six months the opposing soldiers eyed each other warily across the Rapidan River In Music Along the Rapidan James A Davis examines the role of music in defining the social communities that emerged during this winter encampment Music was an essential part of each soldier's personal identity and Davis considers how music became a means of controlling the acoustic and social cacophony of war that surrounded them Music also became a touchstone for colliding communities during the encampment the communities of the enlisted men and officers or Northerners and Southerners on the one hand and the shared communities occupied by both soldier and civilian on the other enabling them to define their relationships and their environment emotionally socially and audibly Maryland, My Maryland James A. Davis, 2019-01-01 Historians have long treated the patriotic anthems of the American Civil War as colorful if largely insignificant side notes Beneath the surface of

these songs however is a complex story Maryland My Maryland was one of the most popular Confederate songs during the American Civil War yet its story is full of ironies that draw attention to the often painful and contradictory actions and beliefs that were both cause and effect of the war Most telling of all it was adopted as one of a handful of Southern anthems even though it celebrated a state that never joined the Confederacy In Maryland My Maryland Music and Patriotism during the American Civil War James A Davis illuminates the incongruities underlying this Civil War anthem and what they reveal about patriotism during the war The geographic specificity of the song s lyrics allowed the contest between regional and national loyalties to be fought on bandstands as well as battlefields and enabled Maryland My Maryland to contribute to the shift in patriotic allegiance from a specific localized and material place to an ambiguous inclusive and imagined space Musical patriotism it turns out was easy to perform but hard to define for Civil War era Americans
