4th Grade

Back to School Activities:

For back-to-school to be so important for students to get to know each other and to feel as part of the class. The first week of school, I always focus on team building and SEL activities. I also use 'Workshop' books in my classroom. I have linked my 'Getting Started with Math' Workshop. In case you are looking to use it as well.

Standards-Based Accountability Under No Child Left Behind Laura S. Hamilton, Brian M. Stecher, Julie A. Marsh, Jennifer Sloan McCombs, Abby Robyn, 2007-05-24 Since 2001 2002 standards based accountability provisions of the No Child Left Behind Act of 2001 have shaped the work of public school teachers and administrators in the United States This book sheds light on how accountability policies have been translated into actions at the district school and classroom levels in three states *Resources in Education*, 1998 **The Active/Ethical Professional** Michael G. Gunzenhauser, 2012-03-08 A winner of the 2012 Critics Choice Book Award of the American Educational Studies Association AESA The Active Ethical Professional proposes an ethical framework for educators and school leaders who find their practice constrained by the demands of policies and structures created in response to accountability legislation The framework is derived from Michel Foucault's theories of discipline surveillance resistance and care of the self Gunzenhauser asserts that an educator's dual position of being normalized especially in relations with those above them in the education hierarchy and normalizing especially in relations with their students can be troubling and difficult The book argues that this position requires educators to be both ethical and active To be ethical educators not only need to resolve ethical dilemmas in defensible ways but they also need to recognize themselves as powerful in relation to others To be active educators need to be vigilant for moments when they are placed in the position to be reactive to normalizing pressures and they also need to develop clear notions of how they may create opportunities for the cultivation of educational selves selves that are rich ethically aesthetically epistemologically and politically *Adult and Continuing Education: Concepts, Methodologies, Tools, and Applications* Management Association, Information Resources, 2014-03-31 Beyond the undergraduate and graduate levels education has traditionally ceased when students enter the workforce as professionals in their respective fields However recent trends in education have found that adult students beyond the traditional university age often benefit greatly from returning to further their education Adult and Continuing Education Concepts Methodologies Tools and Applications investigates some of the most promising trends in furthering education and professional development in a variety of settings and industries With an

extensive array of chapters on topics ranging from non traditional students to online and distance education for adult learners this multi volume reference book will provide students educators and industry professionals with the tools necessary to make the most of their return to the classroom Student Achievement Goal Setting Leslie Grant,James Stronge,2013-10-11 The first book in the James H Stronge Research to Practice series focuses on improving student achievement through academic goal setting It offers the tools and plan of action to use performance data to improve instructional practice and increase student achievement *Schoolwide Action Research for Professional Learning Communities* Karl H.
