History Of Coatbridge:

The 'Local' Irish in the West of Scotland 1851-1921 G. Vaughan,2013-08-20 Vaughan renews perspectives on the changes brought about by Irish migrant communities in terms of identity politics and religion The book examines on the experience of generations of Irish migrants in the West of Scotland from the aftermath of the Great Famine until the creation of the Republic of Ireland

The Tax Man - The True Story of the Hardest Man in Britain Brian Cockerill,2007-10-31 Over the last two decades Brian Cockerill has ruled his world with an iron fist Using nothing but his hands as weapons he has patrolled the streets clubs and raves of Britain in order to keep order and to tax those whose ill gotten gains he sees fit to take a share of Drug dealers and shady club promoters everywhere know that if The Taxman is in town it s time to pay up or get out All know of the appalling violence this man can exert on his enemies and of the incredible presence of body and mind that he possesses Yet despite his appalling record of aggression Brian is a man who lives by rules and respect balanced yet unpredictable he has never used weapons and those who have used arms against him have barely lived to regret it The facts of his life are as amazing and awe inspiring as they are true

The Origins of the Scottish Railway System C.J.A. Robertson,2003-11-24 By comparison with their English counterparts Scottish nineteenth century railways have suffered from a degree of neglect by economic historians Most of the existing literature is written for the railway enthusiast concentrating mainly on topography mechanical developments and entertaining episodes Few of these books cover the whole of Scotland and most are treatments of single companies or of particular dramatic events This study covers the earliest period of Scottish railway history from the years of the first

waggonway developments in the eighteenth century to the advent of the railway mania of the 1840s It concentrates on the planning and formation of the various railways the problems and achievements associated with their construction and the financial records of the companies up to 1844 The first two chapters cover the horse drawn waggonways of the eighteenth century and the coal railways of the early nineteenth century while Chapters 3 5 cover the railways of the 1830s and 1840s
