How to Make Love to a Martian Akash Abid,2021-06-07 Why are you doing this he asked in his rough Jamaican accent as he slammed my mobile phone the screen lit onto the countertop I looked at him for a beat as he stood in the doorway of the bathroom with nothing to his name but our marriage certificate I stopped drying my hair brush in one hand blow dryer in the other then looked down at the phone to find he d riffled through it and uncovered a stream of text messages and explicit photographs I d sent to my lover the night before I looked back up at him smirked and replied Why not He stood there weak and defeated his dark skin paling and his crooked toes gripping the carpet His eyes darted back and forth as he struggled to find some sort of understanding I was unflinching I stood with honor and pride despite my infidelity In my calmest most rational voice I continued Listen I have to be at the salon in thirty minutes I m going to finish blow drying my hair Why don t you take this time to go through my phone some more and get all the information you feel you need I turned back toward the mirror and resumed drying my hair as he collected my phone and headed back into the bedroom After finishing I entered the room and stood at the foot of the bed as he lay there scrolling through the phone I have to go so I ll need that back He sat up and handed the device to me then silently slouched back onto the pillows I ll be gone for about an hour If you have any questions we can discuss them when I return I insisted before slipping on my shoes grabbing my purse and walking out the door

Island People Henry R. Danielson,2018-01-15 When I think of what Julie and I did it humbles me We were right out of college just married working in a job I didn t care for She got the invitation I took a test and we both accepted I was of draft age but there would be no deferment Can you imagine joining the Peace Corps where you would train to teach in segregated Macon County Alabama You and your wife northern whites in 1967 would train to teach in a segregated all black school How would you manage Think of going to Likoma Island on Lake Malawi in Central Africa You would live for two years on a two by five mile island with no gun no civil authority no police The island was home to crocodiles spitting cobras green mambas puff adders and other deadly vipers and often fatal illnesses but no resident physician just five thousand Africans and you Think about teaching school to eighty adolescent African kids forty in a classroom none of whom had any notion of Western culture What if your home were attacked by a raging African man whose family had been killed by white soldiers What would you do Ever thought about what it is like to be a teacher in Western New York How would you deal with 125 adolescents daily Imagine preparing lessons for five classes each day grading papers teaching and then driving thirty miles to graduate school and back before a late dinner each night Suppose you had summers off and you and your wife learned to sail and on your twenty fifth anniversary you sailed the six hundred miles offshore to the island of Bermuda Ever been in a full gale on a little boat at sea We were island people finding our way

Martian Legacy Fred Lane,Lane Fred Lane,2010 It s the third decade of the twenty first century and man has finally landed on Mars Air Force Pilot Lt Col Harold T Kane has led an expedition to the red planet but as Martian Legacy opens he is upside down in a rover trapped in a Martian crater cursing

himself for ruining this historic event Harry manages to right the rover and carry on with his mission and eventually he and his fellow crew member Dr Karen Hansen collect enough samples and return to Earth Once there they first are carefully cleaned with the latest anti microbial procedures then hailed and feted as the heroes of the moment They leave behind a second crew of two on Mars that continues the explorations looking for extinct creatures and hopefully an ancient civilization But what has Harry s Crew 1 brought back In this engaging story of the near future present day fears are examined and a contemporary doomsday scenario plays out with surprising results The reader is expertly led down many scientific byways while at the same time being drawn along by the appealing human story Martian Legacy combines our best hopes and worst fears as they are played out together *The Diamond Sutra* Osho,2023-06-29 Before Buddha there were religions but never a pure religiousness Man was not yet mature With Buddha humanity enters into a mature age All human beings have not yet entered into that that s true but Buddha has heralded the path Buddha has opened the gateless gate It takes time for human beings to understand such a deep message Buddha s message is the deepest ever Nobody has done the work that Buddha has done the way he has done Nobody else represents pure fragrance Other founders of religions other enlightened people have compromised with their audience Buddha remains uncompromised hence his purity He does not care what you can understand he cares only what the truth is And he says it without being worried whether you understand it or not In a way this looks hard in another way this is great compassion *The Martian* George Du Maurier,2021-04-24 George Du Maurier s *The Martian* is a compelling blend of speculative fiction and penetrating social commentary that ventures into the realms of science and the human condition The narrative unfolds through a rich tapestry of vivid imagery employing a satirical yet earnest tone that highlights the intricacies of British society in the late 19th century Du Maurier s work is marked by intricate character development and sharp wit as he explores themes of alienation and the supernatural inviting readers to ponder the intersection of fantasy and reality amid a backdrop of Victorian norms Born in 1834 George Du Maurier was a celebrated British cartoonist Novelist and playwright whose own experiences in the arts and society undoubtedly influenced his literary pursuits His background in illustration and the literary elite coupled with his keen observations of human behavior fostered a unique perspective that permeates *The Martian* The book reflects his fascination with the peculiarities of social dynamics and the enigmatic nature of existence elegantly demonstrating his command over both the visual and narrative forms This remarkable novel is recommended for readers who seek an inventive merge of imaginative storytelling and insightful critique Du Maurier s adeptness at weaving humor into poignant reflections on human nature positions *The Martian* not only as entertainment but also as a provocative exploration of societal values making it a must read for enthusiasts of both science fiction and literary classics *The Goose Is Out* Osho,2012-04-10 There is a famous Zen story about a disciple Riko who once asked his master Nansen to explain to him the old Zen koan of the goose in the bottle Namely if a man puts a gosling into a bottle and feeds the gosling through the bottle s neck until it grows and becomes a goose and

then there is simply no more room inside the bottle how can the man get it out without killing the goose or breaking the bottle In response Nansen shouts RIKO and gives a great clap with his hands Startled Riko replies Yes master And Nansen says See The goose is out In this Zen flavored series of responses to questions the contemporary mystic Osho cuts through the mad complexity of the contemporary human mind and its self created problems with humor compassion and even an occasional shout and clap of his hands The goose in the questioner s bottle may be a philosophical problem or an existential dilemma a relationship drama or an emotional crisis in each case Osho s unique and transformational response sets the goose free allowing us to rediscover the simple and innocent clarity each of us brings with us when we **Stop Me If You've**
