The Complete Idiot's Guide to Cold Calling Keith Rosen MCC,2004-08-03

Does this sound familiar If I could get in front of the prospect the rest of the selling process becomes easier It s just getting in front of them that s the challenge The fact is most cold calling efforts are doomed from the start Salespeople lose sales not due to a lack of effort but because they lack a prospecting system they are comfortable with and can trust to generate greater consistent results If you are prospecting the same way you have been for the last several years including the calling to check in touch base or follow up approach or haven t been prospecting at all you re simply making it easier for your competition to take away the new business you are working so hard to earn So if you love to sell but hate or don t like to prospect this book is your opportunity to maximize your cold calling potential and boost your income by learning how to get in front of the right prospects in less time and create greater selling opportunities without the fear pressure or anxiety associated with cold calling This Complete Idiot s Guide will show you how to Utilize the seven steps to a permission based cold calling conversation so that you don t have to push your presentation and hope there s a fit Create winning voice mail messages that will ensure more return calls Develop your MVP Most Valuable Proposition that separates you from your competition Craft the Compelling Reasons that would motivate a prospect to speak with you Prevent and defuse initial objections such as I m not interested We don t have any money now or Call me back later Design your own step by step prospecting and follow up system that runs on autopilot and is aligned with your selling philosophy strengths objectives and natural talents rather than taking the generic one size fits all approach Develop the right questions and uncover new selling opportunities in seconds so that you can stop wasting precious time on the wrong prospects

The Complete Idiot's Guide to Closing the Sale Keith Rosen MCC,2007-02-06 Traditional and gimmicky closing techniques are dead Never be scared or reluctant to ask for the sale again and enjoy the confidence and peace of mind in knowing you have a process that works Tap into Keith Rosen s unique permission based approach to having a selling conversation with your prospects that fits your style rather than having to pitch and close This book gives you the edge over your competition by showing you step by step how to get to yes more often by aligning your selling approach with the prospect s preferred buying process and communication style without any pressure manipulation or confrontation You ll also get exactly what to say in any selling situation as well as the dialogue that the world s greatest salespeople use to defuse objections ask for the sale and close the deal Plus more than 100 case studies templates and scripts you can use with Keith s powerful process driven selling approach Discover The five steps that make your sales presentations objection proof A step by step system that prevents cancellations improves client retention and boosts referrals Proven permission based closing strategies that get more prospects to yes The real reasons for price objections and why dropping your price will lose the sale Three steps to defuse every objection especially the ones you create Questions you re not asking that turn more prospects into clients Effective
