academic entrepreneur and talented author who brought ancient history to life not just for students but for such notables as  
Teddy Roosevelt and Sigmund Freud In American Egyptologist Jeffrey Abt weaves together the disparate strands of Breasted  
s life from his small town origins following the Civil War to his evolution into the father of American Egyptology and the  
founder of the Oriental Institute in the early years of the University of Chicago Abt explores the scholarly philanthropic  
diplomatic and religious contexts of his ideas and projects providing insight into the origins of America s most prominent
