**(Volume 2)** Saverio, 2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6-8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasn't even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times IF ONLY YOU KNEW

beauty charisma intelligence The kind of girl others wish they could be But behind the dazzling smile and emerald green eyes lies a storm of secrets pain and the heavy burden of power In a world that fears strength and misunderstands complexity she walks a lonely path between adoration and hate They say life is simple For her simplicity isn't an option They take her heart her love and her best then spit her out without a second thought Yet she keeps smiling a master actress in the role of her life fooling the world into believing everything is fine But there's power in truth and truth demands to be heard This is her story Raw Honest Unfiltered To those who judge If you're ready to point fingers this book isn't for you But if you're prepared to dive deep into a soul shaped by fire heartbreak and the will to rise turn the page Because life isn't perfect Neither is she And that's what makes this story unforgettable

Kay Garrod, 2014-08-08 The book itself is my feelings on many different subjects that we all come across during our life journey My biggest inspiration was my three children family and friends After the loss of my twenty year old son Barry R Catron due to a boating accident I started putting my thoughts on paper in poem version It has been and always will be my therapy But I will never get over his loss I hope there might be some material that I wrote that someone else might be able to relate to and it might soothe their heart and soul for whatever challenge they might be facing

**So Pretty.... so Many Tears** Rose Portillo, 2011-12-02 This book was written out of the feelings and some of the most sadness out of the depths of my heart and soul It contains feelings from different times and many events of my life So Pretty So Many Tears has poems from many different emotions I have felt throughout my life Some of the poems that are written in this book were written when I was 16 years old although I have been writing since I was much younger when I had already been physically and emotionally abused Then I lost The Love Of My Life I fell in love with Tony when I was 12 years old We got together when I was 16 and then we separated for a few years because of my family We got back together when I turned 24 and he was 25 years old A couple of days before he turned 27 years old he passed away yes I lost my love I lost my life hence I lost my mind When I finally gave my whole self to him and finally stopped worrying about what my family felt about him Ever since then I have been truly going through years of so much denial of his death self conviction and guilt over what happened and how it happened I sank into the Abyss of my empty soul and I didn't want to be found because I knew deep inside if I found myself deep within my secretly wounded heart I would realize and find out that I lost the only love I had ever had He was my only

friend and I knew that I would lose my mind if I ever lost him There was no way that I wanted to live in this ugly world without him by my side and I had told him that I would never be afraid of anything not even the end of the world so long as he was there by my side even when the end of the world was occurring I have been abused most of my life first by my mother then by my older brother then later on when I got married to someone else other than my true love I went through some inner hell tortures as well as physical tortures with my husband always on drugs such as heroine crystal meth and crack cocaine when I didn't even know what all that stuff was or what it did to someone Anyhow the book contains all of my dreadful melancholic horrific details of just how much I had lost my mind For I truly did lose my mind when Tony left my world The only thing I had to stay alive for was my children that I already had and when The One I Loved left my world I went insane but I didn't even know it and neither did anyone else for that matter I really didn't know how to handle living life without Tony I needed to learn how to live again not only for myself but for my children and the book does indeed hold the deepest fears tears and loves in my life The book contains so many feelings tears and love and as one person put it So Pretty So Many Tears when the tears wouldn't stop and how I couldn't stop thinking of and wanting to die Like I said I actually really lost my mind There are many different poems in this book some are regarding abuse death love reincarnation and even living with physical pain as I do now and have been ever since the year of 2001 it seems as if once the denial stopped and the admission of Tony being dead occurred the pain and suffering I had secretly been feeling in my heart and my soul suddenly spurted out of me and showed and was now felt physically For the secret I was holding within me was the secret I withheld even from my own self and that was that Tony was dead I was full of secrets all of my life first I held the secret from my family the love I had for Tony he was my secret love Then I held the biggest secret from myself the death of Tony's body but not the death of my love for him There are also some poems from my granddaughter Vanessa Espitia and from two of my daughters Desiree Grace and Princess Anna both of whom I encourage to write all their thoughts and feelings from their heart if that is what they want to do Most of my 12 children are blessed with the talents of writing and art along with some of my grandchildren So Pretty

Lambson,2004-05 *When I Return in Spring* is the true to life story of a very troubled time in our nation s history when families were torn apart by the call to arms and our American way of life was threatened by the enemies of freedom It is written in a novel format in order to make it more reader friendly This historic account of World War II is as a firm reminder that our freedom cannot be taken for granted but that it has been purchased with a price and must be earned anew by each generation It is one soldier s personal account of the bitter air war over Germany where more that fifty percent of those sent into combat failed to return It brings to light a little known death march of five thousand American prisoners of war forced to walk for over five hundred miles across Germany in the dead of winter on a starvation diet where over two thousand of them died of exposure disease and starvation Because war does not present a pretty picture the author has seen fit to dull the graphic scenes of violence to avoid offense to tender minds The story line and language devoid of vulgarity crudeness and profanity have been adapted for the family audience and can be enjoyed by young and old alike and is often read as a family project Delbert D Lambson      *An Unfinished House* K.
