

A person wearing a dark, possibly black, jacket and dark pants is crouching on a light-colored, textured surface that appears to be a rock or a patch of dry earth. The person is positioned on the left side of the frame, leaning forward with their hands near their knees. A very bright, circular yellow light source is positioned to the right of the person, casting a strong, warm glow across the scene and creating a high-contrast, almost ethereal atmosphere. The light source is partially obscured by the person's shadow and the texture of the ground.
