## **Lyall Watson Romeo Error:**

**The Romeo Error** Lyall Watson, 1976      **User Guide & Handbook for Understanding the Universe & Mortal Experience** Bob Maddison, 2014-10-09 CONTAINING VALUABLE DATA INFORMATION IN EASY TO READ FORM THAT YOU WILL NEED TO OBTAIN MAXIMUM BENEFIT AND ENJOYMENT OF YOUR MORTAL EXPERIENCE Primarily its designed to find fast accurate reliable information about a great variety of questions For example I get asked a lot of questions about god without a hint of their meaning or definition of the god subject of the question Is there a god or even any form of god The answer is yes or no depending ENTIRELY on your interpretation or understandings or even unfortunately influences external to yourself We say thank god Should we all freely say this Yes of course and with grace and gratitude But who what where and why is this god Is he she it internal or exterior to yourself Or indeed both of those We can confidently and freely remove the awe sacred or grovelling fear or reverence and endless worship adoration imposed by millennia of vain religion Its all inside this user guide      **The Zen of Living and Dying** Philip Kapleau, 1998-04-14 To live life fully and die serenely surely we all share these goals so inextricably entwined Yet a spiritual dimension is too often lacking in the attitudes circumstances and rites of death in modern society Kapleau explores the subject of death and dying on a deeply personal level interweaving the writings of Western religions with insights from his own Zen practice and offers practical advice for the dying and their families      *Handbook of Contemporary Japanese Religions*, 2012-09-03 Representing work by some of the leading scholars in the field the chapters of this handbook survey the transformation and innovation of religious traditions and practices in contemporary Japan Readers will find lively scholarly studies about changes in the traditional institutions of Buddhism and Shinto vivid examples of social activism as well as the so called new religions examination of the relationship between religion and the state and analysis of the religiosity of individuals encompassed by spirituality pilgrimage and tourism and the marketing of religions This groundbreaking collection of scholarly papers helps to map out the fascinating complexity and dynamism of religion in contemporary Japanese society and culture      In My Ever After Robert Geis, 2010-08-26 In My Ever After is not a mass media style general readership book on immortality rather it is an argument against a current school neurophilosophy s virtual equation of consciousness and the world Without exposing the equation s weaknesses the question of immortality Geis argues is moot Part I identifies many epistemic and scientific grounds for a real world outside consciousness and self refutational flaws in quantum physics It employs the phenomenological method to situate consciousness and other in their relations Part II sets forth why consciousness cannot be electrical in origin and then how partibility and subjectivity in tandem with the power of conceptualization evince reasons for accepting immortal consciousness as a condition of all human awareness A discussion of why pharmacologic explanations for the OBE and NDE are wanting plus neurologic arguments for memory s non localizability and how animal sentience adds to philosophic conviction coordinate with Scripture on animal existence beyond the grave concludes the argument      "It Aint

Necessarily So" Book One Bob Maddison,2013-11-13 Discovering what is real or not real can be difficult This Book One starts with the true nature of the universe From the very basic Fabric of the Universe then to following nature or all things and that includes what is commonly known as God or gods Following that we deal with human origins evolution alternatives then discover our true nature and problems with religions Reclaiming our individual value in life is critically covered Human s lost prehistory is looked as a prelude to later books A mountain of lies and cover ups are revealed This book covers many original writings by Bob Maddison plus many items of interest compiled from research Sufficient evidence is included in all cases so that you the critical reader is not faced with my assertions only but can do your independent research *Lost Cities of China, Central Asia and India* David Hatcher Childress,1991 Explores some of the world s oldest and most remote countries in search of lost cities and ancient mysteries Huna Enid Hoffman,1976-01-01 Centuries ago the Kahuna the ancient Hawaiian miracle workers discovered the fundamental pattern of energy flow in the Universe Their secrets of psychic and intra psychic communication refined and enriched by modern scientific research are now revealed in this practical readable book Learn to talk directly to your own unconscious selves and others It could change your life *The Book of Immortality* Adam Gollner,2014-09-30 An exploration of one of the most universal human obsessions charts the rise of longevity science from its alchemical beginnings to modern day genetic interventions and enters the world of those whose lives are shaped by a belief in immortality **Lotus and the Pool** Hilda Lee Dail,1989-06-03 This book offers a totally new holistic approach to career development involving the wisdom of the unconscious expressed in dreams symbols personal myths intuitions and memories as well as the analytical skills needed to set goals and plan strategies It is designed for anyone who has to make important life decisions whether in choosing a field changing careers trying to get more satisfaction out of work planning for retirement or reentering the job market Based on the principles of creativity as revealed in the world s creation myths and in the techniques of artists poets and inventors the book presents a ten step process of creative career development Case histories from the author s counseling practice demonstrate the process at work and a workbook section gives exercises to help readers Examine past successes for clues to aptitude and values Analyze the success factors that characterize their achievements Use imaging and other creativity techniques to discover their own inner symbols and personal myths Develop an action plan for finding or creating their ideal career Divination Through the Ages Ellen Wallace Douglas,2012-08 Ancients traveled far and paid handsomely to hear the sibyls and oracles channel wisdom from the gods The Holy Bible writes of many prophets and seers but divination by ordinary people was strongly prohibited As a result mediums and psychics have since been laughed at ostracized and even burned at the stake But always there have been some people who persisted in believing in spirit communication secretly We must take a sober and realistic view of divination in the times ahead but openly and publicly This book will help you to understand divination for its true value Listening to the spirit world is our only hope for a world of peace *Life After Death* Claudia M. Rosal,1987 Awakening Into Oneness Arjuna

Ardagh,2009-10-29 A fascinating discovery in southern India has caught the attention of spiritual teachers from every tradition leaders from around the world and millions more It is the phenomenon called the Oneness Blessing known as deeksha in India a powerful transfer of energy believed to elicit the realization of unitive consciousness Awakening into Oneness tells the remarkable story of this radical new gateway to personal and global transformation Writes author Arjuna Ardagh The Blessing can precipitate a shift toward a completely different state of consciousness where the sense of me as a separate entity dissolves What remains is a simple and direct realization of Oneness unclouded by the conceptual mind something so profound and glorious that it defies logical description Oneness is the heart s deepest longing the song of the ages What is it about the Oneness Blessing that has ignited the hearts of so many You ll find the answer here in Awakening into Oneness     *Miracles* Richard Webster,2004 Practical book on creating and recognizing miracles     The Advent

Grégoire de Kalbermatten,2018-06-20 This book proposes and describes a new category of perception vibratory awareness beyond thought feelings or instinct by which all kinds of absolute questions are answered This awareness itself thinks organizes and loves It balances neutralizes and heals human problems and relates man to the Divine In different scriptures it has been named as divine breath or the flood of bliss It is innate in every human being though unconscious for most Great prophets and founders of different world religions preached the lifestyle which would optimize man s awakening to its conscious knowledge self realization second birth mukti Divine incarnations who came on this earth at different stages of man s evolution prepared the setting for its manifestation on a mass scale as the phenomenon of collective consciousness Every reader is invited to verify personally the existence and the validity of this new awareness many already have

**Consciousness, Bioenergy and Healing** Daniel J. Benor,2004-10 People have the potential to heal themselves and each other Dr Daniel Benor a wholistic psychiatrist explains how mind body and body mind interactions promote health or cause illness Clear and concise explanations of a large body of research clinical examples and a variety of theory explain healing through complementary alternative medicine Dr Benor reviews research supporting claims that complementary alternative therapies and bioenergy therapies are potent and effective treatments     *Astral Travel For Beginners* Richard Webster,2012-07-08 What you ve done thousands of times in your sleep can now become a totally conscious experience with the help of this handy guidebook You ll soon learn to leave your body and explore the astral realm with confidence and safety Achieving your first astral travel experience is always the most difficult and no single method will work for everyone That s why the techniques in this book are carefully graded to step by step through an actual out of body experience And with fifteen time tested methods to choose from you re sure to be astral traveling in no time Once you learn to leave your body the freedom you ll discover will transform your life Explore new worlds learn to travel with a partner go back and forth through time even find a lover but most importantly lose your fear of death as you discover that you are a spiritual being independent of your physical body     *"What's It All About?"* Bob Maddison,2013-05-09 22 Essays covering every major issue including

the real nature origin of our universe Who or what God really is Human origin nature and fate Almost every aspect of human life history and even human nature is accurately revealed and understood It is a stunning review of humanity and his real nature plus some major faults in human history and current paradigms This is a time to re assess reality You can now identify your real ability nature and potential or the real nature of jehovah or god without the facade or religion Yes death and its consequences are covered These essays cover not only the origin of the universe but also the social disruption of topics from gun control to bank mortgages and property value escalation In these limited essays I have covered almost every aspect of individual human life upon this planet I only ask that people do not blindly follow laws ordinances of religion church

government but always ask questions Then finding them ask more **Vampyres: Genesis and Resurrection: from Count**

**Dracula to Vampirella** Christopher Frayling, 2016-09-13 An expanded fully illustrated and up to date edition of the classic cultural history of vampires Vampyres is a comprehensive and generously illustrated history and anthology of vampires in literature from the folklore of eastern Europe to the Romantics and beyond It incorporates extracts from a huge range of sources from Bram Stoker's detailed research notes for Dracula to penny dreadfuls to Angela Carter's The Bloody Chamber new to this edition which is analyzed by the author in a broader cultural context This revised and expanded edition of the 1978 classic brings Vampyres up to date with twenty first century vampire literature including new text extracts commentary and a revised introduction For the first time Christopher Frayling also explores the development of the vampire in the visual arts in four color plate sections with illustrations ranging from eighteenth century prints to twenty first century film stills demonstrating the enduring appeal of the vampire from popular press to fine art and finally to film **I Can See Clearly**
