DAVID FOLKENFLIK

Murdoch S World The Last Of The Old Media Empires

Peter Fotis Kapnistos

Murdoch S World The Last Of The Old Media Empires:

Murdoch's World David Folkenflik, 2013-10-22 Rupert Murdoch is the most significant media tycoon the English speaking world has ever known No one before him has trafficked in media influence across those nations so effectively nor has anyone else so singularly redefined the culture of news and the rules of journalism In a stretch spanning six decades he built News Corp from a small paper in Adelaide Australia into a multimedia empire capable of challenging national broadcasters rolling governments and swatting aside commercial rivals Then over two years a series of scandals threatened to unravel his entire creation Murdoch s defenders questioned how much he could have known about the bribery and phone hacking undertaken by his journalists in London But to an exceptional degree News Corp was an institution cast in the image of a single man The company s culture was deeply rooted in an Australian buccaneering spirit a brawling British populism and an outsized American libertarian sensibility at least when it suited Murdoch s interests David Folkenflik the media correspondent for NPR News explains how the man behind Britain s take no prisoners tabloids who reinvigorated Roger Ailes by backing his vision for Fox News who gave a new swagger to the New York Post and a new style to the Wall Street Journal survived the scandals and the true cost of this survival He summarily ended his marriage alienated much of his family and split his corporation asunder to protect the source of his vast wealth on the one side and the source of his identity on the other There were moments when the global news chief panicked But as long as Rupert Murdoch remains the person at the top Murdoch s World will be making news

Hitler's Doubles Peter Fotis Kapnistos, 2015-04-08 Was the brutal dictator of the 20th century the masked instrument of a double image delusion Recently released war records reveal political decoys doppelgangers or body doubles It is documented that the Nazi Fuhrer vetted at least four doubles Look alikes and crisis actors were used to impersonate Hitler in order to draw attention away from him and to deal with risks on his behalf Hitler s Doubles details their names their peacetime occupations their deaths and an escape to South America Cold War II Revision Trump Putin Summit The Cold War II Revision 2018 is a reworked and updated account of the original 2015 Hitler s Doubles with an improved Index Ascertaining that Hitler made use of political decoys the chronological order of this book shows how a Shadow Government of crisis actors and fake outcomes operated through the years following Hitler s death until our time together with pop culture memes such as Wunderwaffe climate change weapons Brexit Britain and Trump s America More Russians now have encouraging sentiments toward the U S for the first time since 2014 Hitler s Doubles covers modern world history events from WWII until today The assassination of JFK the Watergate scandal the Iran hostage crisis the Iran Contra affair the collapse of the Soviet Union the attacks of 9 11 the appearance of the Islamic State with their cloaked backing of ex Nazi interests Hitler s Doubles includes much more information than its enigmatic title implies This document is presented as a series of news articles in book form Some material is repeated or revised Many photos date back to pre war times *Italic text depicts a what if scenario analysis by the author* Thanks to author Fritz Springmeier biographer William

affecting climate change mitigation and how Rupert Murdoch's opinion shaping is valorizing conservatism across borders The chapter on social entrepreneurship and esteem examines the role of Bill Gates in the governance of global health and George Soros's attempts to build open societies as a stateless statesman An analytical conclusion evaluates the prior findings in order to address three major questions Is it more appropriate to see billionaires as super actors or as a global super class What is the relative power of billionaires within the international system What does the power of billionaires mean for the liberal norms of legitimate political order

Global Media Giants Benjamin Birkinbine, Rodrigo Gomez, Janet Wasko, 2016-07-01 Global Media Giants takes an in depth look at how media corporate power works globally regionally and nationally investigating the ways in which the largest and most powerful media corporations in the world wield power Case studies examine not only some of the largest media corporations News Corp The Microsoft Corporation in terms of revenues but also media corporations that hold considerable power within national regional or geolinguistic contexts Televisa The Bertelsmann Group Sony Corporation Each chapter approaches a different corporation through the lens of economy politics and culture giving students and scholars a thoughtful and data driven guide with which to interrogate contemporary media industry power

Almost All Aliens Paul Spickard, Francisco Beltrán, Laura Hooton, 2022-09-15 Almost All Aliens offers a unique reinterpretation of immigration in the history of the United States Setting aside the European migrant centered melting pot model of immigrant assimilation Paul Spickard Francisco Beltrán and Laura Hooton put forward a fresh and provocative reconceptualization that embraces the multicultural racialized and colonially inflected reality of immigration that has always existed in the United States Their astute study illustrates the complex relationship between ethnic identity and race slavery and colonial expansion Examining the lives of those who crossed the Atlantic as well as those who crossed the Pacific the Caribbean and the North American Borderlands Almost All Aliens provides a distinct inclusive and critical analysis of immigration race and identity in the United States from 1600 until the present The second edition updates Almost All Aliens through the first two decades of the twenty first century recounting and analyzing the massive changes in immigration policy the reception of immigrants and immigrant experiences that whipsawed back and forth throughout the era It includes a new final chapter that brings the story up to the present day This book will appeal to students and researchers alike studying the history of immigration race and colonialism in the United States as well as those interested in American identity especially in the context of the early twenty first century

The Loudest Voice in the Room Gabriel Sherman, 2017-02-14 A revelatory journey inside the world of Fox News and Roger Ailes the brash sometimes combative network head who helped fuel the rise of Donald Trump NEW YORK TIMES BESTSELLER NOW A SHOWTIME LIMITED SERIES NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR When Rupert Murdoch enlisted Roger Ailes to launch a cable news network in 1996 American politics and media changed forever With a remarkable level of detail and insight Vanity Fair magazine reporter Gabriel Sherman puts Ailes's unique genius on display along with the outsize personalities Bill O'Reilly Sean Hannity Megyn

Kelly Sarah Palin Karl Rove Glenn Beck Mike Huckabee Gretchen Carlson Bill Shine and others who have helped Fox News play a defining role in the great social and political controversies of the past two decades From the Clinton Lewinsky scandal to the Bush Gore recount from the war in Iraq to the Tea Party attack on the Obama presidency Roger Ailes developed an unrivaled power to sway the national agenda Even more he became the indispensable figure in conservative America and the man any Republican politician with presidential aspirations had to court How did this man become the master strategist of our political landscape In revelatory detail Sherman chronicles the rise of Ailes a frail kid from an Ohio factory town who through sheer willpower the flair of a showman fierce corporate politicking and a profound understanding of the priorities of middle America built the most influential television news empire of our time Drawing on hundreds of interviews with Fox News insiders past and present Sherman documents Ailes s tactical acuity as he battled the press business rivals and countless real and perceived enemies inside and outside Fox Sherman takes us inside the morning meetings in which Ailes and other high level executives strategized Fox s presentation of the news to advance Ailes s political agenda provides behind the scenes details of Ailes s crucial role as finder and shaper of talent including his sometimes rocky relationships with Fox News stars such as O Reilly Hannity and Carlson and probes Ailes s fraught partnership with his equally brash and mercurial boss Rupert Murdoch Roger Ailes s life is a story worthy of Citizen Kane Featuring an afterword about Ailes s epic downfall during the extraordinary 2016 election *The Loudest Voice in the Room* is an extraordinary feat of reportage with a compelling human drama at its heart

The Brainwashing of My Dad Jen Senko,2021-10-05 After her beloved dad got addicted to right wing talk radio and Fox News Jen Senko feared he would never be the same again Frank Senko had always known how to have a good time Despite growing up in a poverty stricken family during the Depression and having to fight his way to middle class status as an adult he tended to look on the bright side But after a job change forced Frank to begin a long car commute every day his daughter Jen noticed changes in his personality and beliefs Long hours on the road listening to talk radio commentators like Rush Limbaugh sucked her father into a suspicion laden worldview dominated by conspiracy theories fake news and rants about the coastal elite and libtards trying to destroy America Over the course of a few years Jen s dad went from a nonpolitical open minded Democrat to a radical angry and intolerant right wing devotee who became a stranger to those closest to him As politics began to take precedence over everything else in her father s life Jen was mystified What happened to her dad Was there anything she could do to help And most importantly would he ever be his lovable self again Jen began the search for answers and found them as well stories from countless other families like her own Based on the award winning documentary *The Brainwashing of My Dad* uncovers the alarming right wing strategy to wield the media as a weapon against our very democracy Jen s story shows us how Fox News and other ultra conservative media outlets are reshaping the way millions of Americans view the world and encourages us to fight back

The Young and the Digital S. Craig Watkins, 2009-10-01 In *The Young and the Digital* S Craig Watkins skillfully draws from more than 500 surveys and 350 in depth interviews with young people parents and educators to understand how a digital lifestyle is affecting the ways youth learn play bond and communicate Timely and deeply relevant the book covers the influence of MySpace and Facebook the growing appetite for anytime anywhere media and fast entertainment how online digital gates reinforce race and class divisions and how technology is transforming America's classrooms Watkins also debunks popular myths surrounding cyberpredators Internet addiction and social isolation The result is a fascinating portrait both celebratory and wary about the coming of age of the first fully wired generation Rupert Murdoch Neil Chenoweth, 2002-11-12 If you want to understand how modern media has changed the world this is the one book you must read Rupert Murdoch is the man everyone talks about but no one knows He's everywhere a larger than life media titan who has spent a lifetime building his company News Corporation from a small struggling newspaper business in Australia into an international media powerhouse Rupert Murdoch charts the real story behind the rise of News Corp and the Fox network the secret debt crises and family deals the huge cash flows through the offshore archipelagos the New York party that saved his empire the covert government inquiries the tax investigations and the bewildering duels with Bill Gates Ted Turner Gerry Levin Ron Perelman Newt Gingrich cable king John Malone Michael Eisner Tony Blair and televangelist turned diamond

miner Pat Robertson Murdoch's story however is more than just how one man built a global business Rupert Murdoch is both a biography of Murdoch the man including the divorce from his wife Anna his remarriage to a woman young enough to be his granddaughter and the struggle between his two sons for eventual control of the family holdings and a follow the money investigation that reveals how he has managed to have such a huge impact on the communications revolution that promises to utterly transform life in the twenty first century The investigation concentrates on Murdoch's three great campaigns in the 1980s when his determination to launch an American television network overturned the media industries of three countries in 1997 when Murdoch took on every broadcasting group in America and the process of reinventing himself since then culminating in his bid to win DirecTV from General Motors This is the saga of the man who has stalked infuriated cajoled threatened and spooked the media industry for three decades whose titanic gambles have shaped and reshaped the media landscape Win or lose Murdoch is the man who has changed everything And Neil Chenoweth is the right person to tell the story In 1990 he wrote a magazine article that prompted a secret Australian government inquiry into Rupert Murdoch's family companies and he's been on the Murdoch case since then Chenoweth reveals what no person ever has about the man and the company who is probably the most significant media player of them all

Media Spectacle and Insurrection, 2011 Douglas Kellner, 2012-11-02 Douglas Kellner elaborates upon his well known theory which explores how media spectacle can be used as a key to interpreting contemporary culture and politics Grounded in both cultural and communication theory Kellner argues that politics war news and information media events like terrorist attacks or royal weddings and now democratic uprisings are currently organized around media spectacles and demonstrates how and why this has occurred Rooting the discussions within key events of 2011 including the war in Libya the Arab Uprisings the wedding of William Windsor to Kate Middleton the killing of Osama bin Laden and the Occupy movements Media Spectacle and Insurrection 2011 makes a highly relevant contribution to the field of media and communication studies It offers a fresh perspective on the theme of contemporary media spectacle and politics by adopting an approach that is based around critical social and cultural theory This series gives students a strong critical grounding from which to examine new media

The Rise and Fall of the Murdoch Empire John Lisners, 2012-06-06 Rupert Murdoch ruthless visionary empire builder and business genius He has created a global media network which has made him one of the most powerful and influential figures in the world So potent was the force of his empire that he was even on first name terms with presidents and prime ministers superpowers were only a telephone call away But just recently rather than controlling the news Murdoch has instead become the front page story as the world had been gripped by the unfolding drama of the News International phone hacking scandal Within days of achieving his final and most ambitious goal outright ownership of the GBP1 billion a year profit making BSkyB satellite television station Murdoch was forced to concede as his prize looked set to disintegrate before his eyes Always a winner in the past the devastating events that overtook News Corporation with tsunami speed shocked the 80 year old

founder particularly as the most hurtful arrows were fired from the very institution which he had carefully cultivated for so many years. Freelance journalist John Lissner tells the fascinating story of Murdoch's amazing rise and fall. His graphic account of the culture, the methods and the men who worked for Rupert Murdoch is as incisive as it is entertaining. He uncovers how Murdoch beat Robert Maxwell to the News of the World. Rupert Murdoch's role in the sacking of a Prime Minister. The bungled but lethal attempt to kidnap his wife. How the big News International expose stories were done.
