Expository Notes, with Practical Observations, on the New Testament ... By William Burkitt. With Plates, Including a Portrait ,1819 **Ku Klux Klan Sheet Music** Danny O. Crew,2015-09-16 The Ku Klux Klan has received much attention for its violent activities but comparatively little research has been done on its musical legacy The printed music that still exists is spread throughout the nation in both public and private collections This work presents chronologically the music associated with the Klan from 1867 to 2002 thus enabling readers to sense the arguments and attitudes of the Klan as they developed and changed over time Because of the relative scarcity of Klan related music non Klan music that mentions the word Klan is included These obscure references help place the Klan in a larger social perspective and are very important in documenting anti Klan musical reaction In instances where a song merely mentions the Klan usually in only one verse or in the chorus then only that verse containing the Klan reference plus appropriate context is included The catalogue also includes Klan related music that does not have lyrics such as marches waltzes two steps and several Klan related pieces that were published in Europe Sheet music was virtually nonexistent after the 1930s so in order to capture a feeling of Klan related music today a limited discography of Klan related recordings from 1920 to 2002 is also included Presidential Sheet Music Danny O. Crew,2001-01-01 Political historians have traditionally interpreted the people and events of each presidential era by studying books periodicals letters diaries and speeches One source of printed material that has not received much scholarly attention is published music much of which has been all but lost in the archives of libraries and museums These two volumes of Presidential Sheet Music present an exhaustive listing of presidential related music in all printed forms with information on each piece *Hope Notes* Wayne Willis,2004-01-01 Each of these 52 brief meditations on hope begins with a quote a graphic symbol of hope a few sentences of interpretation of that symbol and then
