Intellectual Property Law and Policy Volume 11 Hugh Hansen,2010-11-19 This is the 16th Annual volume in the series collecting the presentations and discussion from the Annual Fordham IP Conference The contributions by leading world experts analyse the most pressing issues in copyright trademark and patent law as seen from the perspectives of the USA the EU Asia and WIPO This volume in common with its predecessors makes a valuable and lasting contribution to the discourse in IP law The contents while always informative are also critical and questioning of new developments and policy concerns Praise for the series This must be one of the most enjoyable and thought provoking conferences in the IP field The high quality of the speakers is matched by the intense audience led debates and challenges which follow The Honourable Mr Justice Laddie Royal Courts of Justice London Faculty for this conference are always well known names _ well respected leaders in their fields speaking with a combination of candor and timeliness that is unrivaled by any other forum of its kind Honorable Marybeth Peters Register of Copyrights United States Copyright Office **Speech Freedom on Campus** Joseph Russomanno,2020-11-17 Traditionally the university or college is thought to be the ultimate location for the discovery and sharing of knowledge After all on these campuses are some of the great minds across all fields as well as students who are not only eager to learn but who often contribute to our shared wisdom For those ideals to be achieved however ideas require access to some kind of virtual marketplace from which people can sample and consider them discuss and debate them Restricting the expression of those ideas for whatever reason is the enemy of not only this process but also of knowledge discovery Speech freedom on our college and university campuses like everywhere else is fragile There are those who wish to suppress it more often than not when the words express ideas opinions and even facts that conflict with their beliefs Why is this effort so completely at odds with the foundational values of this country made This topic explored in Speech Freedom on Campus Past Present and Future is multi layered and its analysis is best accomplished through multiple perspectives Joseph Russomanno s edited collection does precisely that utilizing 10 different scholars to examine various aspects and issues related to speech freedom on campus **Resources in Education** ,2001-04 **Hearings, Reports and Prints of the House Committee on Appropriations** United States. Congress. House. Committee on Appropriations,1967 **Editorial Research Reports** ,1929 Judicial Protection of Fundamental Rights on the Internet Oreste Pollicino,2021-04-22 This book explores how the Internet impacts on the protection of fundamental rights particularly with regard to freedom of speech and privacy In doing so it seeks to bridge the gap between Internet Law and European and Constitutional Law The book aims to emancipate the debate on internet law and jurisprudence from the dominant position with specific reference to European legal regimes This approach aims to inject a European and constitutional soul into the topic Moreover the book addresses the relationship between new technologies and the protection of fundamental rights within the theoretical debate surrounding

the process of European integration with particular emphasis on judicial dialogue This innovative book provides a thorough analysis of the forms models and styles of judicial protection of fundamental rights in the digital era and compares the European vision to that of the United States The book offers the first comparative analysis in which the notion of judicial frame borrowed from linguistic and cognitive studies is systematically applied to the theories of interpretation and argumentation With a Foreword by Robert Spano President of the European Court of Human Rights The Cambridge Handbook of the Law of Algorithms Woodrow Barfield,2020-11-05 Algorithms are a fundamental building block of artificial intelligence and increasingly society but our legal institutions have largely failed to recognize or respond to this reality The Cambridge Handbook of the Law of Algorithms which features contributions from US EU and Asian legal scholars discusses the specific challenges algorithms pose not only to current law but also as algorithms replace people as decision makers to the foundations of society itself The work includes wide coverage of the law as it relates to algorithms with chapters analyzing how human biases have crept into algorithmic decision making about who receives housing or credit the length of sentences for defendants convicted of crimes and many other decisions that impact constitutionally protected groups Other issues covered in the work include the impact of algorithms on the law of free speech intellectual property and commercial and human rights law *Hearings and Reports 83rd Congress, 1st Session. 1953* United States.
