

### Five Year Career Development Plan Essay

When, I first started in business I considered my success by how much money, I made. Recently, I evaluate success by ensuring happiness and a balance life-style between work, school, and family time. I found this to be very hard when I began school and added to my plans. At, the time I integrated school to my plan I was not sure if I was going to make it, but decided to take a leap of faith.

However, I am much closer to the finish line and I see it closer each day so it is a reality happening before my eyes it is the best decision I have made for myself and my families future. In, life we have to plan constantly everything we do, we have plans for dinner, weekend, and vacation; each day we plan ahead because it is important, think where we are in our career path today and develop a five year career development plan. Career goals and Objectives Career goals are necessary for advancing and moving ahead in life.

However, there are two types of career goals long-term and short-term, the reason for short-term goals is for the long-term goals to be achieved, when we tend to success in the short-term goals we are only preparing for what is ahead long-term goals. My career and objectives is to graduate in one more year, continue in my current job for two to three years because in this job I am exposed to opportunities to grow and learn and to understand the profession inside out.

My objective is to continue to grow in this field so I can start my own business in Property Management Company or work for a well-known and respected company with health insurance, vacation time, promotions, and other incentives. In this company we have nothing, but I work in all the area of property management including HR. Possible Promotional Opportunities for Career Growth In this company there is a possibility of promotional growth, which is an encouraging to continuing working here. Finances play a significant part in our personal lives as well as our professional lives, financial security is why people obtain jobs.

Career growth does not look to promising because I am the person who over sees all the business management. The person who I report to is the owner of the company. Methods for Career Management Method for career management is a combination of structured planning and hand on. The success of career managements is mainly my personal fulfillment with work and school balance, goal achievement, and financial assurance. A method used for career m
