*School Grades are assigned using a weighted model of 80 percent achievement, as measured by end-of-grade testing, and 20 percent growth from one year to the next.*

**Performance** is the total school score converted to a 100-point scale.

**Growth** indicates the progress students have made in a school from year to year.

**Assessment** is the combines score of language arts, math and science scores as calculated across five achievement levels.
