Am I really a sinner? Mark Schonebaum, 2024-08-14 Are you really a sinner When asked this question most people will say that they are a good person without stopping to think that even good people can be sinners In fact we are all sinners but the problem is that many of us simply don't know what sin is which is what the author explores in this book Get answers to questions such as How can we define what sin truly is How does sin hurt us and our relationships How can we eliminate sin What must we do to find salvation from sin The author emphasizes that to follow Jesus you must follow everything not just what you like The whole purpose of following Jesus is to align with God not for God to align with you God not only tells us that we are sinners but He sent Jesus to cleanse us of all sin We are no longer condemned by our sin we are set free in Jesus
