

Life Orientation SBA Task

1. Benefits of “#fees must fall”

- Low and middle class families who were struggling to pay tuition fees their burden was reduced
- NSFAS changed from a student loan to a bursary
- Motivated high school learners to pursue higher education due to NSFAS being a bursary
- Resulted to low tuition fees which accommodated the middle class parents to be able to pay fees.
- Motivated students to study more degrees as more bursaries available to pay tuition fees
- Served as an expression of students' demands resulting students to be not afraid to fight for themselves
- Financial support meaning students were able to buy their necessities and end being breadwinners at their homes

2.Negatives of fees must fall

- Misuse of funds by students such as spending on substance abuse and being scammed
- Posed a black tax on students by families
- Increased strikes in universities which result on student being hurt and arrested by police and security
- Financial stress that result as a disturbance on academics
- Increased government spending as more student fail which recently result to a limit of funding
- Increased the number of fraud crime by students and university officials
- Students are targets by criminals for money result in student casualties
- Students are suspended for participation on strikes which delays the success of students and increase the number of dropouts

3. How can “# Fees must fall 2016” be justified

- Education is a right not a commodity
