

HOLT Physics

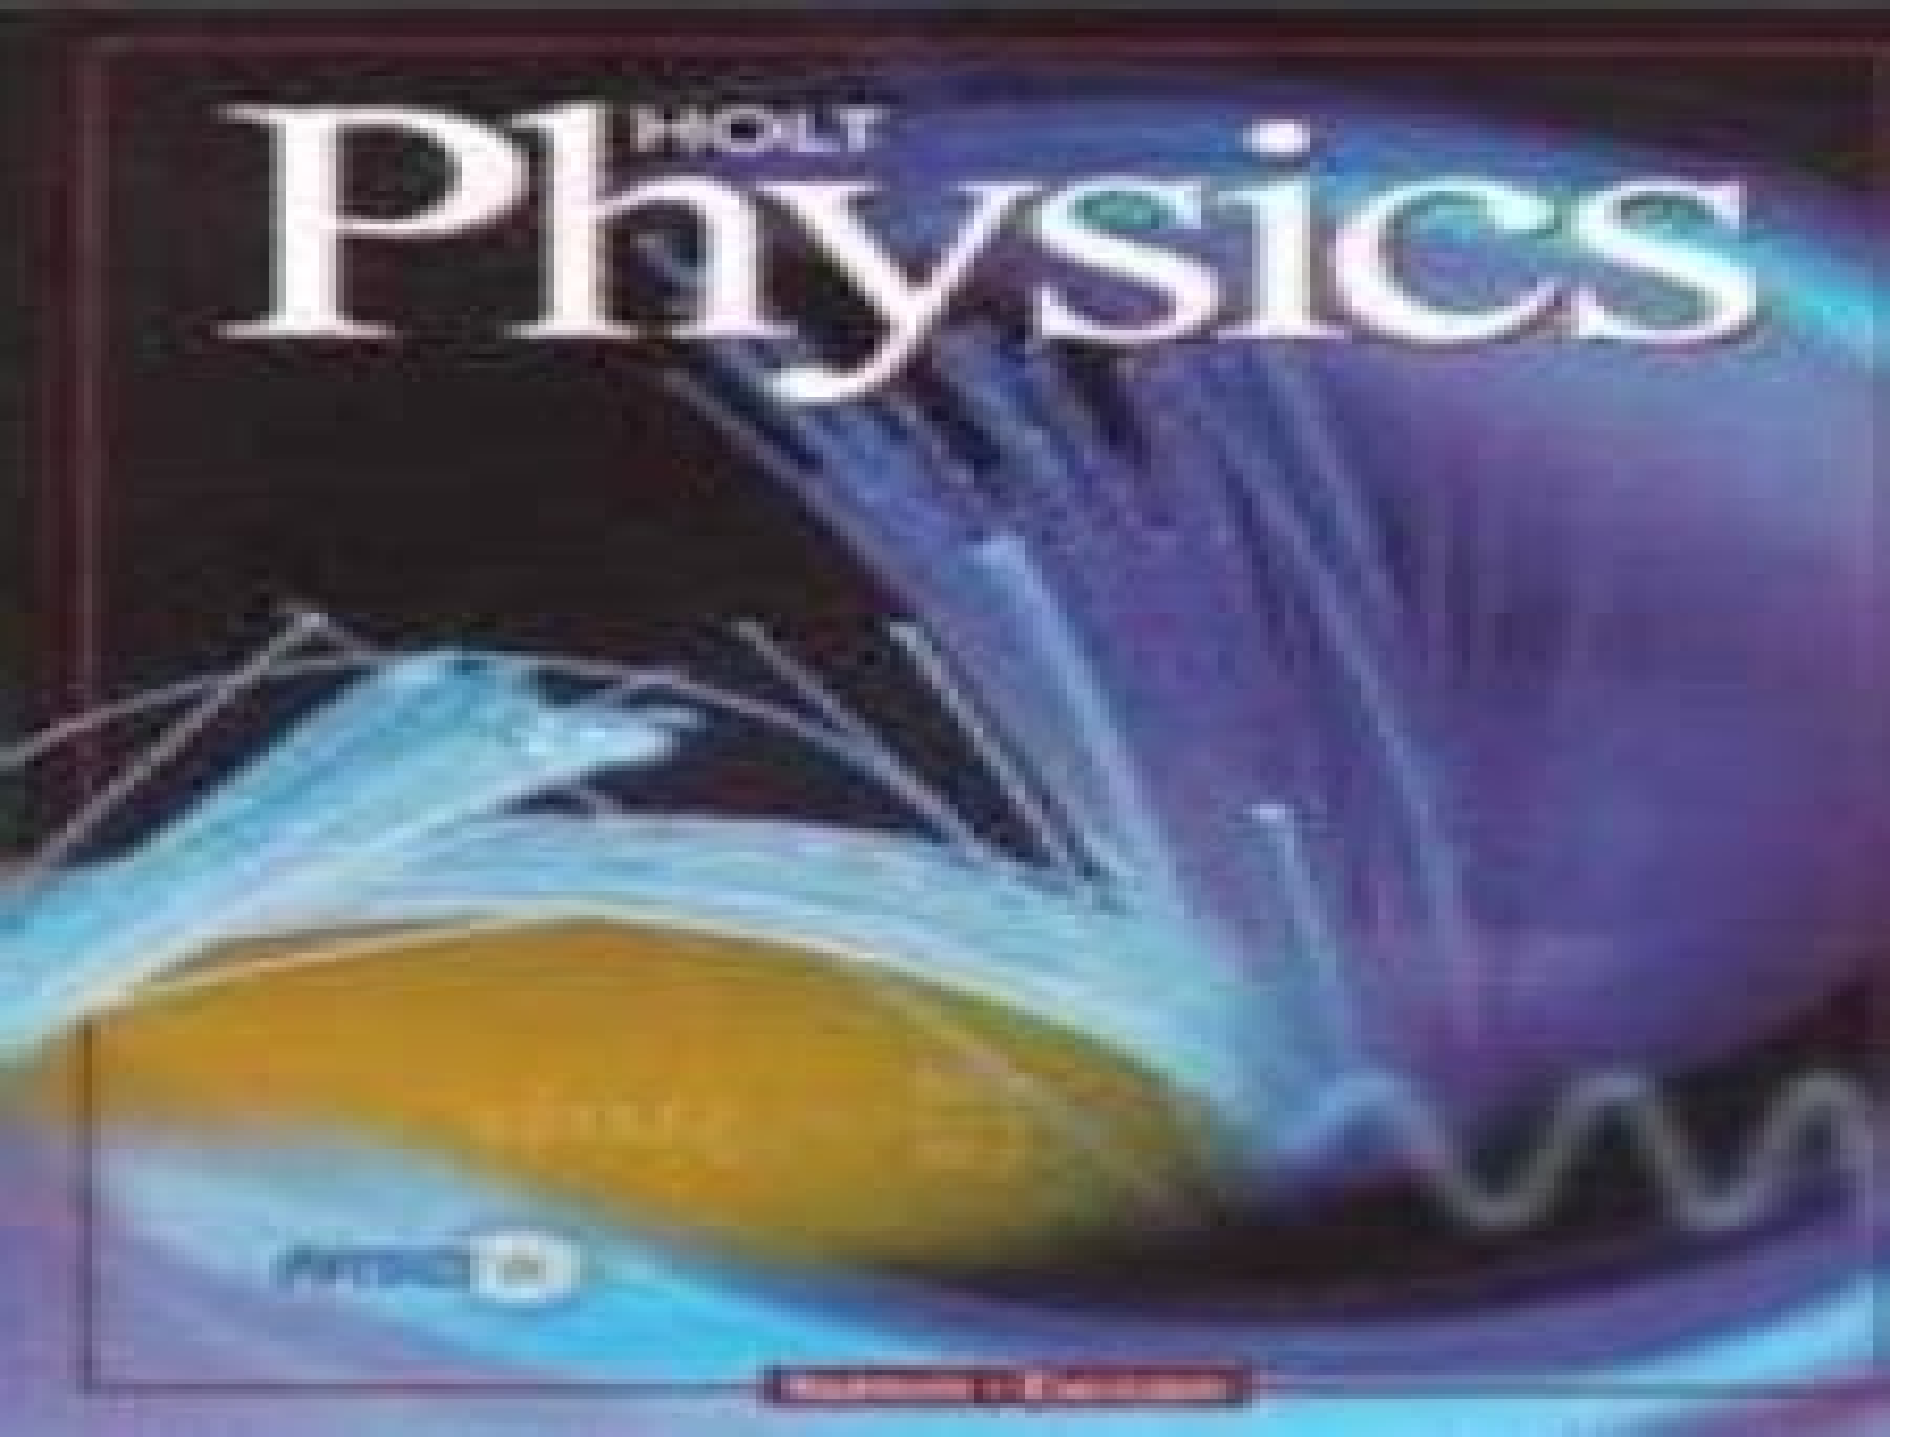

The background of the cover features a dark, deep blue space. In the lower-left quadrant, there is a large, glowing yellow and orange oval shape, resembling a celestial body or a particle. From this shape, several bright blue, wavy lines emanate, spreading out towards the top right. Overlaid on these waves are thin, white, curved lines that look like particle tracks or trajectories. In the bottom right corner, a faint, white sine wave is visible. The overall aesthetic is scientific and dynamic.
