

Information Reports

What are information reports and why do we write them?

Information reports are written to classify and describe factual information about a certain topic or theme. We can write information reports on animals, cities, history, sport, people, companies and many more topics.

What structure is needed in an information report?

An information report includes:

- An opening general statement or general classification, which classifies the topic and/or theme and includes further technical information about the subject of the report.
- Descriptive information about various aspects of the topic or theme, which is organised into paragraphs, with or without subheadings and sections.

What are the main language features?

- Language of generalisation, for example: A dinosaur is...
- Language of description, for example: The Great Barrier Reef has beautiful, colourful coral formations.
- Language of comparison/contrast, for example: Trains are similar to trains.

What other features need to be included?

Text Cohesion

For a text to 'flow' there needs to be links and relationships established within the text. This is done through linking back to something that has already been mentioned, like

Text Cohesion

For a text to 'flow' there needs to be links and relationships established within the text. This is done through linking back to something that has already been mentioned, like names or people. The sentences/phrases that are used are linking phrases and paragraphs, for example: However... Then... In contrast... They...

Subject/Topic Agreement

For example: The dinosaur has a tail. However, there is not.

Technical language

The language included needs and describing that is specific to the particular topic or theme that is being written. When writing about dinosaurs, the technical language would be subject to the particular topic, for example: extinct, fossils, dinosaurs.

Explicit Present tense

For example: Fish came up to the surface of the water to breathe.

What skills are needed and developed when writing information reports?

Researching, organising, taking notes, summarising and referencing.

Information Report Example Year 5 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Information Report Example Year 5 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Information Report Example Year 5 has opened up a world of possibilities. Downloading Information Report Example Year 5 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Information Report Example Year 5 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Information Report Example Year 5. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Information Report Example Year 5. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Information Report Example Year 5, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Information Report Example Year 5 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.
