 Richard Margittay,2009-12-02 This book written primarily as a training guide for law enforcement personnel demonstrates  
 how easily police officers can get sucked in by professional con artists Secondly the book was written to alert potential  
 victims of the lack of police protection Thought of by many as just nickel and dime the reality is that most midway games  
 which start with 2 or 5 per play sometimes builds to more than 100 in losses It was evident these openly brazen career  
 criminals who primarily target children these days account for several million dollars annually in Michigan alone while they  
 proclaim that their good natured fraud and gambling enterprises are not crimes at all but merely games of skill For more
