Instructional Strategies and Activities

Before the Lesson

1. Print one copy of each page in the Textual Analysis form. Print enough copies of the Student Assignment sheets so that each student will have a copy.
2. Plan to divide the class into 10 groups, with each group having 2-3 students.
3. Write this sentence on the board:

We hold these truths to be self-evident: that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness.

Day 1

Introducing the Lesson

Ask a student to read the words on the board. Ask who wrote the sentence, where it comes from, and what it means. (*In an American history class, all students should recognize this as a sentence in the Declaration of Independence, written by Thomas Jefferson.*)
