Kids of the Black Hole Dewar MacLeod, 2012-10-09 Los Angeles rock generally conjures memories of surf music The Doors or Laurel Canyon folkies But punk L A s punk scene while not as notorious as that of New York City emerged full throated in 1977 and boasted bands like The Germs X and Black Flag This book explores how in the land of the Beach Boys punk rock took hold As a teenager Dewar MacLeod witnessed firsthand the emergence of the punk subculture in Southern California As a scholar he here reveals the origins of an as yet uncharted revolution Having combed countless fanzines and interviewed key participants he shows how a marginal scene became a mass subculture that democratized performance art and he captures the excitement and creativity of a neglected episode in rock history Kids of the Black Hole tells how L A punk developed fueled by youth unemployment and alienation social conservatism and the spare landscape of suburban sprawl communities how it responded to the wider cultural influences of Southern California life from freeways to architecture to getting high and how L A punks borrowed from their New York and London forebears to create their own distinctive subculture Along the way MacLeod not only teases out the differences between the New York and L A scenes but also distinguishes between local styles from Hollywood s avant garde to Orange County s hardcore With an intimate knowledge of bands venues and zines MacLeod cuts to the heart of L A punk as no one has before Told in lively prose that will satisfy fans Kids of the Black Hole will also enlighten historians of American suburbia and of youth and popular culture

How Children Make Art George Székely, 2006 With his unique and refreshing perspective Szekely shows educators how to use ideas from home art and play activities as the basis for a school art program that is meaningful to children The author presents memorable descriptions and inspiring moments from a lifetime of studying children s home art all to introduce readers to a wealth of art teaching possibilities In these pages we learn what happens when children entering the art room are treated as colleagues bringing their own ideas to an art curriculum that doesn t overshadow them with adult art plans and teachings about adult artists

Fourth and Long Tommy Cook, 2010-07 Everyone faces adversity be it in one s career finances or even personal life Recognizing the tools needed to press through that adversity is the key to a successful life full of accomplishment Tommy Cook knows this kind of perseverance From his humble beginnings as a high school dropout Tommy comes to realize that he is going to have to fight to make it in this world What he doesn t realize is that he is his own worst enemy Will Tommy escape the burden of working paycheck to paycheck Will his immature decisions result in him being

kicked out of the military How will he survive his irresponsible and precarious actions while in Vietnam When giving up seems like the easy way out Tommy continues to press on despite the consequences Go for it on Fourth and Long with new author Tommy Cook as he bears his shortcomings in an attempt to cleanse his heart and soul and make restitution for his failure to be the person that he could and should have been Draw encouragement from Tommy s story to persevere through your own struggles

The Pop Musical Alberto Mira,2021-11-09 After Hollywood and Tin Pan Alley s iron grip on the movie musical began to slip in the face of pop s cultural dominance many believed that the musical genre entered a terminal decline and finally wore itself out by the 1980s Though the industrial model of the musical was disrupted by the emergence of pop the Hollywood musical has not gone extinct Many Hollywood productions from the 1960s to the present have revisited the forms and conventions of the classic musical except instead of drawing from showtunes and jazz standards they employ the styles and iconography of pop Alberto Mira offers a new account of how pop music revolutionized the Hollywood musical He shows that while the Hollywood system ceased producing large scale traditional musicals different pop strains disco rock n roll doo wop glam and hip hop renewed the genre giving it a new life While the classical musical presented a world light on conflict defined by theatricality and where effortless talent can shine through the introduction of pop spurred musicals to address contemporary social and political conditions Mira traces the emergence of a new set of themes such as the painful hard work depicted in *Dirty Dancing* 1987 the double edged fandom of *Velvet Goldmine* 1998 and the racial politics of *Dreamgirls* 2006 to explore why the Hollywood musical has found renewed relevance

Desert Reckoning Deanne Stillman,2012-07-03 North of Los Angeles the studios the beaches Rodeo Drive lies a sparsely populated region that comprises fully one half of Los Angeles County Sprawling across 2200 miles this shadow side of Los Angeles is in the high Mojave Desert Known as the Antelope Valley it s a terrain of savage dignity a vast amphitheatre of startling wonders that put on a show as the megalopolis burrows northward into the region s last frontier Ranchers cowboys dreamers dropouts bikers hikers and felons have settled here those who have chosen solitude over the trappings of contemporary life or simply have nowhere else to go But in recent years their lives have been encroached upon by the creeping spread of subdivisions funded by the once easy money of subprime America McMansions many empty now gradually replaced Joshua trees the desert America s escape hatch began to vanish as it became home to a latter day exodus of pilgrims It is against the backdrop of these two competing visions of land and space that Donald Kueck a desert hermit who loved animals and hated civilization took his last stand gunning down beloved deputy sheriff Steven Sorensen when he approached his trailer at high noon on a scorching summer day As the sound of rifle fire echoed across the Mojave Kueck took off into the desert he knew so well kicking off the biggest manhunt in modern California history until he was finally killed in a Wagnerian firestorm under a full moon as nuns at a nearby convent watched and prayed This manhunt was the subject of a widely praised article by Deanne Stillman first published in *Rolling Stone* a finalist for a PEN Center USA journalism award and included in the anthology *Best*

American Crime Writing 2006 In Desert Reckoning she continues her desert beat and uses Kueck's story as a point of departure to further explore our relationship to place and the wars that are playing out on our homeland In addition Stillman also delves into the hidden history of Los Angeles County and traces the paths of two men on a collision course that could only end in the modern Wild West Why did a brilliant self taught rocket scientist who just wanted to be left alone go off the rails when a cop showed up What role did the California prison system play in this drama What happens to people when the American dream is stripped away And what is it like for the men who are sworn to protect and serve Praslin (Seychelles) ,
