**Making Literature Matter 5th Ed + Writer's Help Two Year Access Card).** John J. Ruszkiewicz,2011     Making Literature Matter 5th Ed + Re:writing Plus John Schilb,John Clifford,2011-08-29     **Making Literature Matter** John Schilb,John Clifford,2011-08-25 Students respond powerfully to literature when it explores issues that matter to them such as how love can be compromised by the demands of tradition how authoritarian injustice can be resisted and how popular culture influences behavior And when students learn to analyze and argue for how literature engages such issues and exerts such power they develop and hone their critical thinking and writing skills In its fifth edition Making Literature Matter continues to deliver on the promise of its title Its thematic anthology gathers memorable stories poems plays and essays into unique literary clusters addressing issues that rouse passionate responses in students At the same time its comprehensive rhetoric shows students how to harness those responses into thoughtful arguments about the issues raised by the clusters and the literature Read the preface This anthology is now available with video Learn more about VideoCentral for Literature

*The Bite, the Breast and the Blood* Amy Williams Wilson,2018-10-09 Central to every vampire story is the undead s need for human blood but equally compelling is the human ingestion of vampire blood which often creates a bond This blood connection suggests two primal natural desires breastfeeding and communion with God through a blood covenant This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker     **Good Books Matter** Larry Swartz,Debbie Nyman,2008 Based on extensive research on the features that make children s books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level
