## **Making The Connection Discovering Who God Really Is:**

**Making the Connection** John W. Telman, 2014-04 Making the Connection Discovering Who God Really Is attempts to put the corrective lenses of scripture on the distorted view of God John Telman writes like the pastor he is with clarity foresight insight and a longing to see people make the life changing decision to follow God Deftly weaving real life examples and scripture together John creates a tapestry that depicts the whole of who God is Robert White A student once told his professor I don't believe in God to which he was asked to describe the God that he didn't believe in I probably don't believe in him either stated the wise teacher It is a sad fact that most people who do not believe in God have either an incomplete or false understanding of who the Almighty God is This book while valuable for such people is not intended to be an apologetic nor a defence Simply between the covers of this book is one man's observations of God who has made himself known It's more than eternal life that is at stake It's fellowship with God Life without the creator is empty plastic and worthless It has no meaning Fellowship with God is more than knowing facts about God It is life based on who God is When anyone has relationship with God they truly live John W Telman was born in Edmonton Alberta Canada but as a worship pastor for 20 plus years he has also served in the United States and Singapore He has an earned Master's degree in Christian Studies from Providence Seminary His ministry has changed from primarily worship to that of a Senior Pastor He has been married to Carole since 1982 and they have one son Jeremy

**Another Laugh and Another Tear** John W. Telman, 2020-06-15 I really don't know John I really only know of John by virtue of pastoring in the same province and denomination together I mention this to say that by reading his book I finally had the chance to get to know him In doing so I felt that I'd met a kindred spirit Sharing a common Dutch heritage being former worship ministers and growing up in a loving musical home established an easy common ground between us In picking up a copy of his book I anticipated sitting down to read an autobiographical account of this life I was wrong Instead I sat down to discover stories of friends and family who had shaped his life It's a tribute really What a wonderful way to get to know a person Instead of making himself the focus of his own writing he instead shines a spotlight in the direction of the relationships that were most meaningful to him Phil Spoelstra Assistant Superintendent British Columbia and Yukon District of the Pentecostal Assemblies of Canada
