**Day of Execution** Rodney Marshall, Sam Denham, Matthew Lee, JZ Ferguson, Geoff Dodd, 2019-01-03 Television drama is frequently marginalised as a piece of fleeting popular culture rather than a more lasting art form The emergence of television studies has helped to question this mind set Innovative television drama can rival any field of the arts in terms of material worthy of critical exploration This series of books focuses on outstanding examples of British television dramas centring on a single episode in an attempt to explain what makes both the episode in particular and the series in general remarkable The social context script characters sets locations music and direction are all focal points This Classic British Television Drama CBTD series of books continues with an exploration of Man in a Suitcase s episode Day of Execution Elements of Cold War espionage American gumshoe British thriller and Swinging London combine in a series which is hard to define and was arguably ahead of its time

**Two Against the Underworld - the Collected Unauthorised Guide to the Avengers Series 1** Alan Hayes, Richard McGinlay, Alys Hayes, 2017-01-26 Two Against the Underworld brings together eight years of research to tell the story of The Avengers from both sides of the camera It has now been further revised following the recovery of the episode Tunnel of Fear The authors lift the lid on all 26 Series 1 episodes Comprehensive chapters detail the narratives in extended synopsis form as well as the production transmission and reception of each episode and the talented personnel who made them The creation of The Avengers Ian Hendry s departure the series destiny and the mystery of the missing episodes are explored in a series of essays each of which has been revised Avengers writer Roger Marshall and Neil Hendry both contribute forewords to this volume The book also boasts black and white illustrations by Shaqui Le Vesconte and 70 pages of appendices that deal in depth with the unproduced episodes of Series 1 Keel and Steed s further adventures in the comic strip The Drug Pedlar and the novel Too Many Targets and much more

**'I'm Going to Shoot You, McGill!'** Rodney Marshall, **The Classic British Telefantasy Guide** Paul Cornell, Martin Day, Keith Topping, 2015-07-30 The Classic British Telefantasy Guide is derived from the second edition of The Guinness Book of Classic British TV with various corrections and a revised introduction to bring it up to date It was written when the Internet barely existed and at a time when few books had been published on the subject This is however by no means a new or completely revised version of the original material too much time has passed and if we were to start reworking and correcting the text now it would probably never be finished Instead Classic British Telefantasy is an electronic reprint of some of the authors earliest work repacked for a new format and perhaps a new age
