Here's how you can separate the practical from the practically certifiable. *Naptime Is the New Happy Hour*. Once the zig zagging hormones and endless bleary eyed exhaustion of the first year have worn off, you're left with the startling realization that your tiny immobile bundle has become a rampaging toddler complete with his or her very own very forceful personality. How do you deal with that tiny bundle of joy that's suddenly become like a real person? *Gummi Bears Should Not Be Organic*. From the moment life first drops us *Hunger Games* style into parenthood with just a naked crying stranger and Google for company, we're taunted with scary studies and impassioned opinions about how to do it perfectly. You're going to need a friend to give you a shoulder to cry on when times get rough and to give you a smack upside the head when you start replacing Goldfish crackers for kale chips.
