flexicover format of Blackstone's Police Operational Handbook and is designed to complement that publication by offering guidance on good practice in core policing areas. Aimed at junior patrol officers, student officers and trainee detectives, it draws together practical advice across a wide range of police duties along with extracts and explanations of official policy and guidance from ACPO, the National Policing Improvement Agency and the National Centre for Policing Excellence. The Handbook provides guidance on a structured approach to police work based on established national principles and practices and is divided into four parts: Evidence Management which offers advice on the capture and handling of evidence with chapters on crime scene management, disclosure, witness and victim management and court procedure; Knowledge-based Policing which outlines the National Intelligence Model, the Police Code of Conduct, ACPO values, human rights, planning and risk management and dealing with the media; Neighbourhood Policing which covers the principles and team structures, partnerships, problem-solving techniques and crime prevention; and Protective Services Policing which looks at the role of the first responder in major incident response, major crime and civil contingencies. Commentary is accompanied with features such as boxed examples, checklists, diagrams, practical tips and flow charts to aid reader's grasp of the issues.

First to Care Graeme Hunt, 2009 FIRST TO CARE 125 YEARS OF THE ORDER OF ST JOHN IN NEW ZEALAND 1885-2010 brings to life the history of one of our most ubiquitous and vital charitable organisations. The heavily illustrated book provides a vivid account of public spiritedness, enterprise and innovation by people involved in St John over the past 125 years, peppered with occasional disputes and setbacks along the way. St John invented and popularised first aid as we know it. It provided medical assistance from the sidelines of our sports fields from as early as 1891 and it played a leading role in disaster relief from its formative days. From humble beginnings it established a nationwide ambulance service that today is the envy of the St John fraternity worldwide

Where the Magic Happens Caspar Craven, 2018-05-17 In June 2009 Caspar and Nichola created a plan to sail around the world with their young children. Most people thought they were crazy. But over the past seven years they've embraced every moment of this momentous chapter of their lives. Five years of planning, the vision, the values, the practicalities, the realities, the excitement, the highs, the lows and the seemingly adventure-stopping obstacles led to two wonderful years of living their dream, the magical and the scary, enjoying life and learning as a family. This is Caspar's story. It's a story of a fabulous sailing adventure but it's also so

much more than that it s an inspirational tale for all those wishing they could do the same it s a practical guide to show you just how you can make it happen it s a motivational story of leadership and teamwork within a family and it s a funny heart warming tale of slightly unconventional family life The fascinating narrative of Caspar s story is accompanied by useful text features such as tip boxes sidebars and chapter summaries so that the reader can easily extrapolate the necessary nuggets about how they can make the dream a reality
