

A Samsung television screen is shown with a significant display issue. The screen is filled with numerous vertical lines of varying colors, including blue, green, and purple, which are likely artifacts from a corrupted signal or a hardware failure. In the upper left corner, the text "HDMI/AVI" is visible. In the upper center, there is a faint technical diagram showing a rectangular box with internal lines and arrows, possibly representing a signal flow or a specific input mode. Overlaid on the screen in large, bold, yellow capital letters with a black outline is the text "FIX VERTICAL LINES SAMSUNG TV". The TV itself is black and appears to be sitting on a dark surface. To the right of the TV, a portion of a pink object, possibly a cushion or a piece of clothing, is visible.
