**Television and Serial Adaptation** Shannon Wells-Lassagne, 2017-01-20 As American television continues to garner considerable esteem rivalling the seventh art in its cinematic aesthetics and the complexity of its narratives one aspect of its development has been relatively unexamined While film has long acknowledged its tendency to adapt an ability that contributed to its status as narrative art capable of translating canonical texts onto the screen television adaptations have seemingly been relegated to the miniseries or classic serial From remakes and reboots to transmedia storytelling loose adaptations or adaptations which last but a single episode the recycling of pre-existing narrative is a practice that is just as common in television as in film and this text seeks to rectify that oversight examining series from M A S H to Game of Thrones Pride and Prejudice to Castle Canadian Curriculum Studies Erika Hasebe-Ludt, Carl Leggo, 2018-06-19 This timely edited collection asks bold and urgent questions about the complexity culture and character of curriculum studies in Canada Featuring 30 original chapters and 21 short invocations this volume includes works by both established and new scholars illustrating the wide range of cutting edge writing in this area Weaving together personal essays poetry life writing and other arts based inquiry modes Canadian Curriculum Studies highlights the creative performative interactive and imaginative nature of this field The contributors were asked to provoke conceptions and understandings of curriculum studies by examining their convictions commitments and challenges within this discipline By bringing together diverse indigenous and non-indigenous scholarship the editors invoke the concept of *m-tissage* which is finding a growing resonance both in Canada and abroad Exploring the idea of curriculum studies as an interdisciplinary field across transnational contexts this rich text is well suited to senior undergraduate and graduate courses in curriculum studies and qualitative educational research Real Hauntings — 3-Book Bundle Mark Leslie, Jenny Jelen, 2014-10-01 This special three book bundle collects
