From There To Here:

From There to Here Robert M. Rock, 2000-12-20 The stories he tells here were written at random over a period of several months appearing as layers peeled off a consciousness onion never knowing which ones would arise next Eventually they were arranged into a chronology which resulted in a rather unusual autobiographical form Each story is complete and essentially stands alone yet together all blend into one encompassing and distinct story As new stories continue to take shape and more old ones emerge from the onion these may serve the possibility for future stories The acclaim Rock's stories have begun to receive is evidenced by one having already been selected for reading over National Public Radio June past of this year within only one week of submittal the Striped Pen story *From There to Here* Carol Cyr, 2018-05-11 Within a split second life can change forever The comforts conveniences and relationships we take for granted can be lost without warning Trauma comes to us all at some point in our lives whether as a sudden shift or a slow erosion of trust but God's plan for our lives our divine destiny will stand firm We can be victorious through trauma and come out on the other side more whole and complete than ever before With God leading us trauma isn't the end of our story it's just the beginning *From There to Here* Gwendolyn Robinson, 2024-12-19 This book is written to show how faith can overcome any obstacles Often the answer to our survival is made possible from the lessons we learn after the experience No one's life is unique in that it is void of issues Equipping ourselves to face the problems head on prepares us Sharing outcomes encouraged the neighbors to fight their way through This story began in a tight knit all black community called Newman Quarters The community was positioned close to the Leaf River The Civil Rights Era and flooding played a role in the struggles Strong bonds faith determination and love were instrumental in survival Together as one big family Awaiting change lasted years but it came Our experiences helped us embrace the change Helping each other made the wait easier Inspiration was in not giving up Through it all there was hope Over time the community was emptied People moved away or died All that's left are vacant lots overgrown streets and the memories left behind As I grew older what I learned kept things focused In every story there was a reason to hold on It helped me move from there to here through life lessons **From There To Here** Hafiza Deniz Çağlar, Alhassan Maliba, Zara Sage, Are you ready to confront one of the most enduring humanitarian crises of our time The book *From There To Here* The U S Immigration Crisis and the Making of a Sanctuary Movement takes you to the 1980s a time when common citizens fought against their government in order to defend society's most defenseless members The story begins with Central American refugees fleeing violence war and oppression in their home countries only to face rejection from a government that labeled them as economic migrants rather than refugees deserving of protection These refugees were left without hope their cries for sanctuary dismissed But there was a flicker of hope A quiet yet powerful movement of resistance began to take shape fueled by compassion courage and the moral conviction that human lives mattered more than government policies Churches synagogues and other institutions became safe havens opening their

doors to refugees in defiance of harsh immigration laws The stakes were high These brave activists and religious leaders risked arrest and persecution for offering sanctuary to those in need They faced the possibility of imprisonment yet they stood firm knowing that their actions might just change the future of U S immigration policy But would their voices be heard Could they truly shift the tide of a nation s stance on refugees In this compelling book you ll witness how the sanctuary movement not only challenged oppressive policies but also reshaped the conversation on asylum sanctuary and human rights in the U S You ll see how despite strong government opposition this defiance resulted in significant legal and cultural changes In the end the fight for sanctuary continues as the struggles that push people to flee violence inequality poverty and instability remain ever present Can we rise to the challenge and continue to build a compassionate future for refugees and displaced people worldwide Will we stand up for the vulnerable just as the sanctuary movement did or will we turn a blind eye once again

From There to Here Laurel Croza, 2014-04-27 A little girl and her family have just moved across the country by train Their new neighborhood in the city of Toronto is very different from their home in the Saskatchewan bush and at first everything about there seems better than here The little girl s dad has just finished building a dam across the Saskatchewan River and his new project is to build a highway through Toronto In Saskatchewan he would come home for lunch every day but now he doesn t come until supper The family used to love to look at the stars and the northern lights dancing in the night sky But in the city all they can see is the glare from the streetlights All the kids used to run and play together but now older brother Doug has his own friends Then one day there is a knock on the door It is Anne who lives kitty corner and is also eight going on nine and suddenly living in Toronto takes on a whole new light Laurel Croza and Matt James have beautifully captured the voice and intense feelings of a young child who in the midst of upheaval finds hope in her new surroundings

From There to Here , 2007-11-29 We asked people from any background to send us their true personal accounts of immigration to Britain The response was significant and the range of entries overwhelming Six judges including Shami Chakrabarti of Liberty and the novelist Kate Mosse selected the best most illuminating and most powerful entries to be published in this book The result is the widest reaching contemporary survey of the immigrant experience published in many years In these pages you ll discover sixteen very different voices each one presenting a very different point of view In taking us around the world each account shows a new side to the most complicated journey of all Finding a place to call home The country s ethnic and religious make up is already making a vivid mark on our literature I am proud and delighted to be its patron David Lammy MP
