Life Lessons from Genesis Max Lucado, 2019-04-02 A beginning An origin A foundation Knowing where we came from says much about where we are going Perhaps that is why the first book of the Bible is a book of beginnings God wants us to know where we came from Learning that will teach us much about the place we are going The book of Genesis brings us back to the beginning of the Bible where the foundation of life itself is explained We learn how we were created about the origins of sin and its fallout and how to best relate to God through obedience and trust We are drawn into tales of deceit jealousy and outright failure where we see how God still uses flawed people And weaving throughout these earliest stories of humankind are the golden threads of God s promises promises we can trace from their origins through the course of history up through our lives today and beyond us to the end of time when his final promises will at last be fulfilled The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions inspirational stories and poignant reflections to take you deeper into God s Word Each lesson includes an opening reflection background information an excerpt of the text from the New International and New King James versions exploration questions inspirational thoughts from Max and a closing takeaway for further reflection The Life Lessons series is ideal for use in both a small group setting and for individual study
