

NAME : \_\_\_\_\_

# 1. READING COMPREHENSION

Dear Sally,

How are you? Yesterday I saw a documentary about camels after dinner. It was great! The TV presenter was Brad Thomas, the famous actor! He has got a programme about animals . So he went to Egypt to study the camels . He visited a man that loves camels .His name was Abubakar . The TV presenter asked Abubakar many questions about these amazing animals!

These are some of the answers . I am surprised!

- Did you know that camels are lazy? They live for about 40 years but they stop working when they are twenty five.
- They can run at twenty kilometres per hour but they don't like it because it's too hot in the desert where they live!
- The dromedary has got one hump and the Asian camel has got longer hair and two humps. There are about fourteen million camels in the world and many of them are dromedaries.
- An adult camel is about 2.1 metres tall . Camels can walk for more than 600 kilometres but they do not drink any water ! . They drink water every six or eight days. But when there is water in an oasis they can drink ninety litres !

Well, I hope you like this information.

Write soon,

Linda

P.S. This is a picture of Brad riding a camel and drinking water . Isn't he funny?

WATER

HUMP

## A. TRUE OR FALSE

- 1- Linda saw a documentary about camels last night.
- 2- A camel works all his life.
- 3- A dromedary has got more humps than a camel .
- 4- Brad drank coke in the desert.
