

Health Plan Overview

Discussions about the health care components that the individual receives with one's spouse are mediated primarily within either one's spouse's family, institutionalized or family friends, and/or one's own family. In the future, health care decisions may be made by the individual and not their spouse. The third level was for a significant life event that occurred with or without one's spouse's consent.

Service and Cost	Fixed-rate Patient Charge	Cost with Patient Payment
