China and Iran Readjust Relations Shirzad Azad, 2024-01-16 The conclusion of the multilateral agreement about the Iranian nuclear issue in June 2015 was widely predicted to accelerate both the scope and size of commercial interactions between China and Iran As a result the two countries talked about the prospect of increasing their bilateral commerce from less than 50 billion to 600 billion within a short period of time Later Beijing and Tehran moved to sign a 25 year strategic agreement partly to achieve that critical objective The American withdrawal from the nuclear deal under the Trump administration in May 2018 however put a halt to the rosy trade prospect of 600 billion between China and Iran The contentious 25 year pact laid in the limbo in the wake of the crippling regime of international sanctions in which Washington spearheaded against Iran upon quitting the Joint Comprehensive Plan of Action Shirzad Azad argues how China's overall commercial relationship with Iran has turned out to be unusually asymmetrical and lopsided over the past several years In some areas Sino Iranian business partnership surprisingly dwindled to a trickle while in several other fields the presence of Chinese brands and technological expertise in Iran unexpectedly reached an all time high The New York Times Index, 2009 *The iPINIONS Journal* Anthony Livingston Hall, 2020-02-13 ANTHONY L HALL takes aim at the global events of 2019 with a unique and refreshing perspective Some of the topics in this volume include Republicans and Democrats aping Sunnis and Shias Even if Democrats impeach Trump in Congress or defeat him at the polls his presidency has already sown seeds of division and dysfunction that could harvest political thorns for a thousand years Social networks abolishing Likes They can't quit likes Because networks are as hooked on the money likes generate as users are on the high they stimulate Colin Kaepernick moving NFL tryout and making new demands Kaepernick must think he's Trump and the NFL the Republican Party Because only delusions of grandeur on that scale explains him thinking he can play the NFL like this White evangelical Christians supporting Trump The hypocrisy inherent in them showing abject loyalty to this two legged golden calf is almost too contemptible for words Suffice it to know that a skunk has more regard for a garden party than Trump has for a house of worship Hong Kongers protesting Chinese rule These protests amount to nothing more than a self hating Stockholm

Syndrome like preference for the British over the Chinese Hong Kongers don't want democracy so much as a return to British colonial rule MTV trying to whitewash Michael Jackson's name from VMAs Frankly his pedophile exploits were such that MTV paying any homage to him is tantamount to Jello paying homage to Bill Cosby Rich parents offering bribes to get their kids into elite colleges The real indictment is that despite all the resources at their disposal these parents raised such dumb lazy and untalented kids Failure of latest US North Korea nuclear summit While Trump flew off to take a cold shower back in America Kim was smoking a cigarette and planning sightseeing tours around Vietnam So who do you think is zooming who in their brokeback bromance

Ally Michael B. Oren, 2016-09-20 NEW YORK TIMES BESTSELLER Includes a new afterword about the Iran nuclear agreement the 2016 presidential race and the future of the U S Israel alliance Michael B Oren's memoir of his time as Israel's ambassador to the United States a period of transformative change for America and a time of violent upheaval throughout the Middle East provides a frank fascinating look inside the special relationship between America and its closest ally in the region Michael Oren served as the Israeli ambassador to the United States from 2009 to 2013 An American by birth and a historian by training Oren arrived at his diplomatic post just as Benjamin Netanyahu Barack Obama and Hillary Clinton assumed office During Oren's tenure in office Israel and America grappled with the Palestinian peace process the Arab Spring and existential threats to Israel posed by international terrorism and the Iranian nuclear program Forged in the Truman administration America's alliance with Israel was subjected to enormous strains and its future was questioned by

commentators in both countries On more than one occasion the friendship's very fabric seemed close to unraveling Ally is the story of that enduring alliance and of its divides written from the perspective of a man who treasures his American identity while proudly serving the Jewish State he has come to call home No one could have been better suited to strengthen bridges between the United States and Israel than Michael Oren a man equally at home jumping out of a plane as an Israeli paratrooper and discussing Middle East history on TV's Sunday morning political shows In the pages of this fast paced book Oren interweaves the story of his personal journey with behind the scenes accounts of fateful meetings between President Obama and Prime Minister Netanyahu high stakes summits with the Palestinian leader Mahmoud Abbas and diplomatic crises that intensified the controversy surrounding the world's most contested strip of land A quintessentially American story of a young man who refused to relinquish a dream irrespective of the obstacles and an inherently Israeli story about assuming onerous responsibilities Ally is at once a record a chronicle and a confession And it is a story about love about someone fortunate enough to love two countries and to represent one to the other But above all this memoir is a testament to an alliance that was and will remain vital for Americans Israelis and the world The Wall Street Journal, 2009 **Korea**
