**Strategic Leadership** Mark Grandstaff, Mark Grandstaff PhD, Georgia Sorensen, 2008-12 Think Like a General Lead Like an Executive At their center great organizations

such as America's armed forces are the product of great leaders. This fantastic book reveals the keys to success within the military culture as well as relevant and practical application tools for creating strong leaders today. Stephen R. Covey, author of *The 7 Habits of Highly Effective People* and *The 8th Habit: From Effectiveness to Greatness*, What distinguishes strategic leadership? According to top U.S. Army generals, the difference lies in the discipline of thinking. Because the problems strategic leaders face are often multi-faceted and can involve ethical dilemmas, these leaders must move beyond thinking tactically and take a longer term, broader approach to finding solutions. Through the U.S. Army War College and other senior service colleges, the Army teaches strategic thinking to its officers, developing some of the most esteemed leaders of our time. *Strategic Leadership: The General's Art* provides aspiring leaders with an understanding of the behavior and competencies that make a good strategic leader. In line with the curriculum followed by senior officers attending the U.S. Army War College, this book teaches leaders how to think strategically in a volatile, uncertain environment and thereby to provide transformational leadership and shape outcomes. With contributions from senior military leaders as well as experts in the fields of strategic leadership, systems and critical thinking, and corporate culture, this invaluable reference shows readers how to move from mid-level manager to strategic thinking senior executive. *Strategic Leadership: The General's Art* provides aspiring leaders with an understanding of the behavior and competencies that make a good strategic leader.
