Eastenders vs Westenders and Westenders vs Eastenders Ian Black, Leslie

Black,2008-11-06 The traditional rivalries run deep between Glasgow's industry blighted East End and the leafy suburban academia of the West End. The typical West Ender viewpoint is that the East End is full of workshy junkies and your average East Enders knows fine that the West End is populated by jumped up snobs but a shared sense of humour means that everything is just hunky dory. Aye right as we say in Glasgow when we mean No way. These rivalries are ancient sometimes vicious and run as deep as the Styx but nowadays the main weapon is humour. People in the West are reacting to the suggestion that the Commonwealth Games is being shared by the city. Shared is it Aye the East End is getting it and we're paying for it. These are the tall tales, the tantrums and the taradiddles told by both sides. Laugh You'll probably flit to Edinburgh.
