100 Text Msges from a President Pascal M.B. Sama, 2019-02-21 This book speaks to the nature of humanity and if we really know what we want It is based on a true story and also contains broad knowledge of topics designed to inform entertain and educate the reader The book is written in ordinary language It contains opinions anecdotes ethical dilemma history medical science legal reasoning proverbs quotes and some meditations on love related information The author uses all these to reinforce certain points while attempting to broaden the reader s knowledge As a nurse and a law school degree holder the author also combines some medical and legal knowledge to narrate the story At the same time the information is explained in a manner that can be understood even by the ordinary person The book is about a community of people and their young president together in a foreign land The community was vibrant charismatic influential and controversial It was falling apart and desperately needed unity The people

were desperate and wanted to rebuild their community and the community association that was falling apart Infightings amongst the people were very common Several individuals had tried to manage the divisive condition but failed to bring the people together The young president s father once tried to manage the people but he was beaten and he left There was need for leadership but no one wanted the task due to the difficult charismatic and influential nature of the people A young man was called to become the president of the broken and failing community Against all odds and expectations he restructured the entire community to a path of growth The young president s success took the people by surprise especially the elites His leadership tactics dazzled and bamboozled the community Against all the odds on his side he became so successful and influential that the same people who had lifted him turned against him But what happened Why did good people turn against someone who meant so much good for his people What were the motives Were there mistakes Who made them Which mistakes were made Who did what How did the story end What happened I encourage everyone to read this book to its very end Again the book also contains a broad knowledge of topics The author uses all these to inform entertain and reinforce certain points while attempting to broaden the reader s knowledge Enjoy www.100TextMessagesFromaPresident.com
