La Jolla Jewel Of My Childhood:

La Jolla, Jewel of My Childhood Bill Cartwright, 2014-12-24 *La Jolla Jewel of My Childhood* lifts the curtain on a very special window of time and place WWII La Jolla as seen through the eyes of a young boy Full of the adventures of boyhood Cartwright vividly brings the time period and people to life Its colorful story telling and depth of emotional vulnerability make it a memorable universal and timeless read It is novelist history rivaling any American author **Dad's Best Memories and Recollections** Charles J. Humber, 2016-01-20 **DAD S BEST MEMORIES AND RECOLLECTIONS** is Chazzz Humber s epitaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in **Dad s Best Memories and Recollections** **Mortal Adhesions** John Sottosanti, 2023-06-02 Can money power and prestige sustain happiness Can a surgeon trained in the scientific method believe in God when many friends and patients are atheists Relying on his intelligence and perseverance at age forty two Dr Sottosanti achieved the American dream money power fame and a clifftop house overlooking the Pacific Ocean Finding himself mired in the Seven Deadly Sins his mortal adhesions and helpless to extricate himself he cried out in despair God if you are up there all I want is inner peace And with that one submission his life changed resulting in a cascade of improbable and unbelievable events culminating in a salvific miracle experienced in the tomb of a medieval saint during a pilgrimage on Spain s Camino de Santiago Faith happiness and inner peace followed Readers will travel with him to learn life s lessons in an inspiring riveting fast paced memoir *Faith Comes Like a Waterfall, from Heavenly Places* G.
