Chapter 2

Exercise 2.1

Part II

1. In dog sled races the dogs are tortured.
Torturing animals is morally wrong.
Therefore, dog sled races are morally wrong.
2. The children of Somalia are starving and covered with flies.
Such a condition is extremely evil.
A God that is loving would want to eliminate this evil if he is aware of it.
A God that is ever-present is aware of this evil.
A God that is omnipotent has the power to eliminate this evil.
The evil in Somalia has not been eliminated by any God.
Therefore, there is no God that is loving, ever-present, and omnipotent.
3. The beliefs of the creationists are mistaken, ignorant, and superstitious.
No beliefs that are mistaken, ignorant, and superstitious should be taught in school.
Evolution is a scientific truth.
The beliefs of the creationists contradict evolution.
Parents have a right to have their children taught the truth.
The majority of parents favor the teaching of evolution.
Therefore, the beliefs of the creationists should not be taught in school.
4. Free ownership of guns is as noble as belief in God and intestinal fortitude.
Belief in God and intestinal fortitude made our country great and free.
Continued belief in God and intestinal fortitude are necessary to keep our country the way it is.
Free ownership of guns is no less important than God and intestinal fortitude.
Therefore, gun control is wrong.
5. All killers should pay for their crimes by spending many years in jail.
The insanity plea allows killers to spend as little as six months in a mental hospital and then be released.
The insanity plea allows killers to avoid what is coming to them.
Therefore, the insanity plea should be abolished.
6. Abortion and infanticide have produced a holocaust in our nation.
These practices have resulted in the death of millions of innocent children.
It is wrong to kill innocent children.
All of us should oppose what is wrong.
