A Long Way Gone By: Ishmael Beah

Chapter 1

- 1- After reading the first paragraph, what is the tone set by the author? Explain using evidence from the book. (answers will vary)
There is a sadness that is set with hopelessness. Refugees walking hundreds of miles, relatives killed, houses burned, refusing help from others, scared of sounds, fatigue and malnourishment
- 2- "At times I thought that some of the stories the passersby told were exaggerated." What does this quote say about the narrator and about his future? (p5)
The narrator is naïve and in denial about what is to come
- 3- The main character talks about layering up his clothing. He then says "They were fashionable, and we had no idea that this unusual way of dressing was going to benefit us." (p7) What is he foreshadowing?
They will need the layers of clothing in the future when they won't have any other clothing because of where they will be.
- 4- What is the relationship between the main character and his stepmother? What clues gave you this information? (p10) Look for specific lines and QUOTE them.
