Accelerating forward, embracing the future

With growing digital focus to protect their savings and investments, increasing pressure has been with their decision-making and well-being, in embracing the digitalization of a brand, our customers have a lot to do in the future during the digital era. Embracing with our mission – delivering health, wealth, peace of mind – our support and customers in their time of need.

According to the Manulife Asia Pacific Survey, 7 out of 10 Filipinos have experienced greater interest in purchasing the insurance benefits of the comprehensive benefits offered by the 100th anniversary, as 100th year Manulife has offered the best value and best business benefits, given the research-sounding more Filipinos to achieve their life aspirations.

We launched three new fund solutions to cater to the portfolio, Tiger Growth Fund, the Growth Fund, and Global Healthcare Investment Fund. Through these new funds, which are available with select Manulife Philippines' insurance policies (Life, Accident, Sickness, Hospitalization, etc.), we provide a variety of growth, wealth, and capital appreciation solutions.

To help customers in the Philippines protect their employees' health and secure their future, we introduced Health Shield, a new plan for health insurance – insurance plan that provides employees with health protection coverage of up to P100 million against various critical illnesses.

To provide our digital capabilities, we made a number of technology investments in 2021 that further strengthened our focus on digital and innovation in growing our Philippine business – ensuring that we future-proof Manulife with the latest tools to lead the company forward.

Transforming with a stronger sense of purpose

The world is changing – and it is our industry as well as customer needs. We are seeing unprecedented changes everywhere, and these transformations give us a chance to do the future. With customers at the heart of everything we do, we will continue to provide the greatest of customer.
