Exam Result 10th Up Board:

Love, Peace & Reach Kirtish Suthar, Pragati Bhardwaj, 2021-10-28 The purpose of this book is to help you make better decisions in life based on what you truly desire and live a happy life No matter what you do you are always choosing you are constantly deciding and whether you agree or not wherever you are today is the result of choices you made including deciding not to do something I don't blame you we make the decisions based on the best information available to us at a given point and there is no guarantee that the information will remain valid for the time you need to live with that decision and that's where regret comes in life I wish I had this new information before or I wanted to check those details earlier How did I miss it So you will agree with me on this Making a decision purely based on facts and information available to you is not enough You need to add an x factor in this decision making process Something which will not change over time something which will remain consistent irrespective of the change in the information So here it is the x factor the three parameters I use when making any decision Love Peace Reach
