South African national bibliography ,1999 Classified list with author and title index **Research for Educational Change** Jill Adler,Anna Sfard,2016-06-17 Research for Educational Change presents ways in which educational research can fulfil its commitments to educational practice Focussing its discussion within the context of mathematics education it argues that while research generated insights can have beneficial effects on learning and teaching the question of how these effects are to be generated and sustained is far from evident The question of how to turn research into educational improvement is discussed here in the context of learning and teaching hindered by poverty and social injustice In the first part of the book four teams of researchers use different methodologies while analysing the same corpus of data collected in a South African mathematics classroom In the second part each of these teams makes a specific proposal about what can be done and how so that its research generated insights have a tangible beneficial impact on what is happening in mathematical classrooms Combining two discourses that of researchers speaking to one another and that of researchers communicating their insights to those responsible for educational practice the book deals with the perennial question of communication between those who study educational processes and those who are directly responsible for teacher education educational research and classroom practices This book will be key reading for postgraduates researchers and academics in education and particularly in the areas of mathematics education education research teacher education and classroom practice It will also appeal to teacher educators practitioners and undergraduate students interested in educational research **Proceedings of the 5th International Asia Conference on Industrial Engineering and Management Innovation (IEMI2014)** Ershi Qi,Qin Su,Jiang Shen,Feng Wu,Runliang Dou,2015-01-19 The 5th International Asia Conference on Industrial Engineering and Management Innovation is sponsored by the Chinese Industrial Engineering Institution and organized by Xi an Jiaotong University The conference aims to share and disseminate information on the most recent and relevant researches theories and practices in industrial and system engineering to promote their development and application in university and enterprises **Deconstructing Masculinity: Interrogating the Role of Symbolism in Gender Performativity** Lauren Dundes ,Michael Macaluso,2024-09-19 Progress towards gender parity is hindered by unconscious ways that hypermasculinity is valorized at a symbolic level By deconstructing how social and textual phenomena as well as social

structures contribute to gender performativity we can elucidate hard to discern patterns that perpetuate hegemonic masculinity The subliminal elevation of symbols of hypermasculinity excludes both women and non gender conforming men By delving into these symbolic meanings that operate subliminally we can more effectively debunk beliefs that real men fall within narrow parameters of masculinity There remains much to explore in terms of hidden pressures for men to constrain their expression of emotions project an appearance of hardness and equate violence with power to name just a few persistent facets of toxic masculinity While abstract forms of inculcating hypermasculinity are difficult to identify interrogating their role in masculine performativity will result in a more comprehensive understanding of impediments to gender equality
