Compendio de la fe cristiana John Schwarz, 2020-07-07 Este es el libro que todos hubiésemos deseado tener cuando nos iniciamos en la vida cristiana Un libro que responde preguntas corrientes como De qué trata la Biblia Qué relación tienen el Antiguo y el Nuevo Testamento Por qué hay cuatro Evangelios en lugar de uno Como evolucionó la iglesia desde los primeros cristianos hasta la iglesia que conocemos hoy Cuáles son las creencias fundamentales y no negociables del cristianismo en qué difiere el cristianismo de otras religiones Qué significa ser cristiano

Aprender a creer Franco Arduso, 2000-01-05 Se trata de aprender a creer en un tiempo en el que la fe ya no es para muchos algo obvio una realidad que impregna la vida entera desde la cuna hasta la muerte sino una decisión libre a veces dolorida a menudo contrastada y siempre por renovar En este contexto aprender a

creer puede significar caer en la cuenta de las razones sobre las que descansa la fe. Si el acto de fe es intelectualmente honesto y moralmente responsable podrá hablarse de una fe adulta y hasta respetuosa con quienes dudan o no creen. He escrito estas páginas teniendo en cuenta el hecho de que hoy no podemos contar ya con un catecumenado social constituido por la realidad ambiental. Pero tampoco tenemos que enfrentarnos con una hostilidad preconcebida ni con una actitud de desdén frente a la religión en general y la fe cristiana en particular. Estas páginas quieren ser una modesta aportación que ofrezco a todos los que hoy se preguntan por la solidez del fundamento de esa fe en la que se iniciaron en su infancia y que quizá no han tenido la posibilidad de cultivar a continuación. Si el cristiano se atreve a apostar por su fe no lo hace porque sino porque tiene y conoce razones válidas para hacerlo.

La fe cristiana, 2012. Introducción a la fe cristiana Javier Garrido Goitia, 2019-03-06. Actualmente no cabe evangelizar dando por supuesta la fe cristiana ni tan siquiera la experiencia religiosa. El fenómeno global de la secularización y el pluralismo de ofertas de sentido se traduce en una tipología altamente variada de personas: las que dejaron de creer, las que necesitan clarificar su identidad cristiana, las que no distinguen entre la espiritualidad que viene del Oriente y la tradición judeocristiana, las que por diversas razones inician la búsqueda de sentido de la existencia humana. Este libro es como su propio título pregona una introducción a la fe cristiana, una puerta de entrada que tal vez sea insuficiente para algunas personas, sobre todo si esperan pruebas racionales, mientras que para otras podrá parecer demasiado explícita y pretenciosa, pero con la que Javier Garrido trata de ayudar a todas ellas con honradez en su búsqueda.

Nuevo libro de la fe cristiana Johannes Feiner, 1977. Introducción a la fe cristiana, **Fundamentos de la Fe Cristiana** James Montgomery Boice, 1996. En un volumen sistemático James Boice ofrece un panorama de la teología cristiana amplio y comprensible. Estudiantes y pastores sacarán provecho de esta rica fuente que abarca todas las principales doctrinas del cristianismo. Con erudición rigurosa y un corazón de pastor Boice aborda con sumo cuidado los temas de la naturaleza de Dios, el carácter de su revelación natural y especial, la caída así como la persona y la obra de Cristo. Luego pasa a considerar la obra del Espíritu Santo en la justificación y la santificación. El libro concluye con discusiones de eclesiología y escatología. En esta edición revisada del material que originalmente se publicó en cuatro volúmenes Boice mantiene el sentido práctico y exhaustivo que harán de esta una obra clásica de referencia y de texto en los años venideros. In a systematic volume James Boice offers a comprehensive and understandable overview of Christian theology. Students and pastors will profit from this rich source covering all the major doctrines of Christianity. With rigorous scholarship and a pastor's heart Boice addresses with great care the topics of the nature of God, the character of his natural and special revelation, the fall and the

person and work of Christ He then goes on to consider the work of the Holy Spirit in justification and sanctification The book concludes with discussions of ecclesiology and eschatology In this revised edition originally published in four volumes Boice maintains the practicality and comprehensiveness that will make this a classic reference and textbook for years to come
