to serve the country than museums In fact polls show that museums rank among the most trusted institutions in the country regardless of political belief During tumultuous times this trust means that museums have a unique and important responsibility to fulfill their civic mission A century ago John Cotton Dana argued that the most important thing a museum can do is produce a public benefit The Civic Mission of Museums argues that museums play an essential role in the cultivation of engaged and informed citizens The book outlines a spectrum of civic learning that includes civic knowledge civic mindset civic skillset and civic action It offers concrete examples of impactful civic programming exhibits and public engagement from a diverse set of museums It ends with a practical toolkit gleaned from across the country for museum professionals to utilize
