effects of certain planets over your Kundali the favourable time of your life to start something big bad time of your life and many remedies for the obstacles that block your path for your success Various kind of dangerous dosha problems is also the cause of downfall in business health problems love problems marriage problems and many more Every person is curious about his health wealth marriage education and many more What are the chances of making a love marriage What are the chances of making a second marriage after your divorce How can you find a compatible partner for your future life What kind of problems may occur in your marriage life How you can achieve your goals easily How you can grow in your business Health issues and how to solve them Effect of dosha problems and how to deal with them An Astrologer for Best Kundali Reading (Volume-I) Ram Babu Sao, 2025-05-30 Money is the Prosperity This book An Astrologer for Best Kundali Reading Volume I is a unique book which is very informative and also easy to understand One book is truly the equivalent of several books on Kundali Reading You can make the best predictions of horoscope for you or any member of your family with the help of this single book This provides some of the elementary and in depth essential elements and methods on complete Horoscope readings Many of the basics of astrologer's techniques are explained in detail What are all the secret techniques that astrologers are hiding for predicting a birth chart with great accuracy The only thing that is hidden from public is how to use that knowledge of Astrology How to know what matters and what doesn t matter Most astrologers love to complicate things I agree that the intuitive ability will vary from person to person Astrology is such a vast subject many astrologers with their wisdom find new prediction techniques every day which are subject to their own validation Gaining knowledge is first step to wisdom sharing it is first step to humanity In our Kundali by date of birth you can get all kind of prediction about your zodiac sign the effects of certain planets over your Kundali the favourable time of your life to start something big bad time of your life and many remedies for the obstacles that block your path for your success Various kind of dangerous dosha problems are also the cause of downfall in business health problems love problems marriage problems and many more Every person is curious about the his health wealth marriage education and many more What are the chances of making a love marriage What are the chances of making a second marriage after your divorce How can you find a compatible partner for your future life What kind of problems may occur in your marriage life Panchang Five Elements of Time Vijay Kumar, 2025-01-20 Let us unlock the mysteries of Vedic astrology with this comprehensive guide to the Panchang the five essential elements of time Tithi Vara Yoga Karana and Nakshatra The essence of the Panchang is how the Sun and Moon relate to each other on a daily basis Panchang is used for almost every branch of Vedic astrology natal election prashna horary religious calendars and to understand the energy of the day Understanding Panchang is the first step to learning Astrology Panchang of the day affects our emotions temperament and nature Panchang of birth time can give added information about who we are and how we feel It can strengthen the effect of the planets and give us additional qualities that we may not understand purely through the natal chart This book provides a comprehensive guide to Tithi Vaar Yoga Karana

and Nakshatras Whether you re a beginner or a seasoned astrologer this book is your ultimate guide to learning astrology In this book I would like to cover the Panchang which holds a unique and important place in Astrology Modern astrologers generally do not dwell much on a few elements of Panchang and start making predictions. This results in giving predictions that may not be accurate Before we proceed further I will share an incident I was walking along with a very aged astrologer He was almost blind but every morning he used to ask about the time of sunrise sunset Yogas even Karan etc After that he used to make predictions based on queries only He generally never made birth charts until he was required to do so It was raining heavily and someone asked when the rain would stop Pandit ji He asked me what the Moon Nakshatra is and when it will change He predicted the time when the rain would stop and rain and it stopped raining that time Simple way of making predictions which we astrologers do not apply So I recommend that students of astrology should give due importance to Panchang In our ancient references I could not find the mention of Divisional charts like D 3 D 7 and D 10 up to D 120 except the D 9 chart which is read as the Navamsha chart The reason may be the non availability of time measuring devices to such levels And now of late research the number of divisional charts has gone much further There is still much more information to be decoded in Basics of Astrology in elements of Rashis houses and planets With the support of 27 Nakshatras and padas plus the support of 5 limbs of Panchang we get sufficient information for predictive astrology and I consider divisional charts as a comparative tool for confirmative support if needed But our modern day astrology students are more emphatic in creating volumes of research which is making this science complex and complicated for new aspirants Otherwise the passing down of this science was in a hierarchal manner which travelled from one generation to another for centuries but of late that evolution has become a thing of the past However I would still emphatically admit that what our older wisdom was guiding us was simple and fabulous The term Panchang is derived from two Sanskrit words Pancha meaning five and Anga meaning limbs Together they signify the five essential elements that form the backbone of astrological calculations and predictions The five limbs of the Panchang Tithi lunar day Vara weekday Nakshatra constellation Yoga planetary combination and Karana half day are more than just concepts These five elements of time hold the base for any astrological predictions This book seeks to explore and demystify the Panchang a vital tool that has been guiding millions across cultures and generations
