Reflections from Jackie's World Jacqueline K. Boog, 2021-04-07 I didn't realize I had any talent for writing until I began posting my little stories on Facebook Friends began to suggest they belonged in a book to be used as a devotional And so here it is my second book As you read you will meet my family my church and my friends and will grow to love them as I do You will also see how they inspire me daily to write God has given me a special ability to pull from the ordinary and watch Him make it extraordinary He shows me how to take the little things and use them to challenge us all to live a life more pleasing to Him He has also given me a unique sense of humor and if you add that to the mix you get what my husband refers to as Jackie isms My hope is that my musings will encourage you make you smile or even laugh out loud and remind you that you are a beloved child of the most high King Enjoy a story one day at a time or read through several as you relax for the evening However you decide just enjoy the ride through Jackie's World
